## Slate Benefit For Boarini On July 20

by CHARLES JOHNSTON

Once again, people from the Village of Antioch are working together to help one of their own who has been having a tough time of it lately. Individuals and businesses have joined together to sponsor a benefit for Chris Boarini, who is suffering from leukemia, on Sunday, July 20 in the front of the Limerick Lounge on Toft St.

Boarini and his wife, Sharon, are expecting a child any day, now. Neither of them are working, so there is no insurance to cover the huge cost of treatment.

He discovered late last year that he had leukemia. After two months in the hospital, Boarini was home briefly last week before going back in for further treatment.

But on Sunday, July 20, from 2 to 6 p.m., the community will gather together at the Limerick Lounge to help defray the cost of the medical treatment. Organizer Tracy Nielsen said that the benefit was helped by people throughout the area.

"I want to thank Al Andersen, owner of the Limerick, for letting us use the front of his lounge," she said. "That saved us from having to get special insurance. He is also donating all the beer for the day."

Ernie Levas and the EPLeExpress will provide musical entertainment for the day. This, too, is a donation from the band.

Tickets, which will cost \$5 each, will give participants free draft beer from 2 to 6 p.m. and will automatically enter them in a drawing for such door prizes as a body tanner from Ultra Tan; a 21-inch push lawnmower with bagger from Lyons-Ryan Ford; his and her's Schwinn 10-speed bikes from Raymond Chevrolet; a 19-inch remote control color television from Colette Plumbing; a fishing gear package from Diemer Plumbing; a microwave oven from Dan and Jan Dugenske; a set of men's Northwestern golf clubs from My Brothers; and a Sony Boom Box from Larry Fales of Re-Max Realty among other prizes. Winners need not be present to win.

Two lucky people will win a grand prize of a weekend at Americana Resort in Lake Geneva with \$200 spending money. Taylor limousine will provide transportation to and from the resort for the lucky couple. Winner must be present for this prize.

Other prizes, gift certificates ranging in value between \$10 and \$50 donated by various merchants from throughout town, will be awarded.

Tickets are available at Jack's Four Squires, Barnstables, The Limerick, the Moose Lodge, Hair Tech in Mundelein, State Bank of Antioch, First National Bank of Antioch, Great American Federal Savings, Blarney's Island, Struggles, Antioch Quick Print, My Brothers, The Boathouse, Lyons-Ryan Ford, Raymond Chevrolet, Antioch Parks and Recreation Dept., ReMax Realty, and Union 76 in Antioch.

The State Bank of Antioch has set up a special fund for Boarini. Separate donations will be accepted at the State Bank.

## Arts & Crafts Show Set

The Antioch Chamber of Commerce and Industry will present its 14th annual Arts and Crafts Show at Williams Park on Sunday, July 13, from 11 a.m. to 4:30 p.m.

Featuring the works of 90 juried exhibitors, the event will be a cultural extravaganza. Live entertainment will go on throughout the day, including performances by the Windy City Circus Troupe, complete with clown acts.

Food and refreshments will be available for the duration of the show, so the Chamber invites people to come out and make a day of it.

For further information, call (312) 395-2233.

## There She Goes...

Tamara Krause (center) was selected from among 10 contestants to be the new Miss Antioch at the pageant held at Williams Park on July 3. On hand to crown the new queen were Janice Van Patten, last year's Miss Antioch and Antioch Mayor Ray Toft.

## Suspicious Blaze Guts The Lodge Restaurant

Antioch firefighters called for assistance from the Fox Lake and Lake Villa Fire Deps. to battle an early morning blaze that destroyed The Lodge restaurant on Grass Lake Rd. southwest of Antioch.

The Antioch Fire Dept. received the call at 3:24 a.m. on July 3 and arrived on the scene at 3:32 a.m. to discover that the blaze had already gone through the center roof over the dining room.

After the fire was extinguished, Antioch Dep. Chief Wayne Parthun conducted a routine investigation. After making some unsettling discoveries, Parthun called in Round Lake Dep. Chief Rocky Pelletiere to assist in the investigation.

The two deputy chiefs decided to turn the

fire over to the Illinois Fire Marshal's office and the Lake County Sheriff's Police for further investigation.

Saying that the fire was of suspicious origin, Parthun added that, "we have a complex situation here. The building is owned by Chuck Haling, but is leased by a Mr. O'Malley of Chicago who is sub-letting it to Dan Niemann of Antioch. Neither O'Malley nor Niemann had any insurance on it: only Haling did."

"Further, there is a question on the liquor license. There is a court case scheduled shortly over non-renewal of the license. So we have a complicated investigation going on."

The investigation, at press time, was continuing.

## Gamefield Fitness Court Is Open At Williams Park

The new fitness court is open at Williams Park. Mayor Ray Toft cut the ribbon upon completion. Glenda Tomaschik, director of parks and recreation for the Village of Antioch, applied for the grant for the facility in September of 1985.

Tomaschik thanked St. Therese Medical Center, which was the regional sponsor with the National Fitness and Gamefields across America. Nora O'Malley, president of St. Therese Medical Center, congratulated Antioch on the prompt completion of the project in a great location.

She said, "All regional sponsors share a common belief that anyone, not just the top athletes, can be a star for fitness. That is why they (regional sponsors) have joined the

National Fitness Campaign and are making this opportunity available to the people they serve."

State Rep. Robert Churchill congratulated Tomaschik on her accomplishment toward offering the community a "free opportunity to enjoy a life of regular physical activity in an endless source of fresh-air fun."

Antioch Parks and Recreation employees Theresa Weber, Dave Hahn, and Crissi Eberman demonstrated the court showing each station and proper usage of the equipment. Tomaschik said that the court provides total conditioning, body building, sports enhancement, weight loss, and cardiovascular fitness. She urged everyone of all ages to use the facility.

# Baby Lives After Found In Nine Feet Of Water

by GLORIA DAVIS

A three-year old baby was revived after being found in nine feet of water in a pool owned by friends being visited by his family.

Anthony D. Zamora, Ridgeville, Ill., was pulled from the water by the pool's owner Patricia Zubor, 39, of 126th Pl., near the Salem Twp. side of Cross Lake, at 4 p.m., on July 6.

The baby was blue and had no pulse. His

father, Elised, applied cardiac resuscitation to his son until Kenosha County Sheriff's Deputies Bruce Kalwiter and Vincent Lucci arrived and took the resuscitation over.

When the Salem Rescue Squad arrived, the baby had color and a heart beat. He was taken to Westosha Emergency Center where the Flight For Life helicopter landed and took him to Children's Hospital of Wisconsin, Milwaukee.

## Working Out

Theresa Weber, parks and recreation aerobics instructor, demonstrates how to use the 'Free Health Club' developed by the Antioch Parks and Recreation Dept. in cooperation with St. Therese hospital. Located at Williams Park, the fitness court includes 18 stations for various exercises. Watching Weber are Crisi Eberman and Dave Hahn, both parks and recreation employees.

## Schedule New Review Of Grass Lake Marina

After an earlier denial on June 2, Fox Lake will give the Haley brothers another opportunity to explain how their proposed Grass Lake marina will benefit the Chain O'Lakes.

Michael Haley, speaking for his brothers, John and Edward, told councilmen that he felt they acted with haste in rejecting a proposal that had won approval of village planning and zoning aides.

"We were not informed of your action. We acted in good faith. We were unaware of any fault found with our plan," declared Haley.

The Haleys have plans to construct a marina located on a channel leading to Grass Lake in the vicinity of Lotus School.

The proposal met with a vehement protest from residents of nearby Leisure Village.

Trustee Bob Peters reminded fellow council members that 600 persons signed a petition against the marina plan. "I can't ignore that. Leisure Village residents want to live in peace and they won't have quiet with a marina," Peters declared.

"We need advice from you. What do you want us to do with the property we own?" Mike Haley inquired. He added that the brothers are willing to relocate the Blarney Island transport boat if that is an objectionable point.

Blarney Island is a tavern owned by members of the family in the middle of Grass Lake that can only be reached by water.

Trustee Margaret Paull reaffirmed that the transport boat could be a major stumbling block. She said she'd be willing to reopen the matter if the boat objection could be handled.

Mayor William Dam pointed out at the meeting July 7 that legal problems could arise. He asked for and received permission from the board to schedule further discussions with the Haleys.

After the meeting, Mayor Dam remarked that the Haleys could have helped their cause with a more comprehensive presentation featuring maps and drawings. "They didn't do their homework," Dam declared.

## A Total Loss

The Lodge restaurant and bar burned down in the early morning hours of July 3. The State Fire Marshal and the Lake County Sheriff's Police are conducting an investigation of the 'suspicious' origin of the fire. (See related story on Page 1A).

## Lions Conduct Tests For Hearing Problems

Deaf persons are the least understood of the handicapped populations because deafness is not visible.

Many of the problems of the deaf and hearing impaired would be alleviated with increased understanding of deafness on the part of the general public.

To help increase public awareness, not only of the problems of deafness, but also of the capabilities of the deaf and hearing impaired, and to safeguard the hearing of the public through an early warning system, the Lions Clubs of Illinois sponsor free hearing screenings for persons 21 years old and older in communities throughout the state.

As part of that program, the Antioch Lion's Club will sponsor a screening from 1:30-4:30 p.m. on July 16 at Antioch High School gym.

Hearing impairment is the single most prevalent chronic physical disability in the United States, with deafness occurring nearly four times as often as blindness. In Illinois alone, there are close to 720,000 hearing impaired persons. Of these, 106,000 are deaf and 26,000 of those persons became deaf before the age of 19.

"For a long time some people equated

deafness with stupidity," said John Wolf, club president.

"This is just not so. Deaf people and hearing impaired people have I.Q.'s equal to those among the hearing population. Deaf people can be just as qualified as the hearing for jobs and opportunities. They deserve every consideration and equal opportunity."

Hearing loss takes many forms.

"It doesn't just mean that a person feels like the sound has been turned down," said Dr. Edward C. Warner, hearing screening chairman for the club. "Hearing loss may mean a difficulty in understanding different pitches, or different sounds." Hearing loss also has many causes, and there are many medical and mechanical ways to help people with hearing losses.

Among Lions involved in planning the screening are Dr. Edward C. Warner, Homer La-Plante, Les Sorenson, Gary Allen (A.C.H.S. Superintendent), Dr. Albert Bucar and Lion's Pres. John Wolf.

The hearing screening program is conducted through the cooperation of the Lions of Illinois Foundation, 1515 N. Harlem Ave., Oak Park, the charitable arm of the state's more than 670 Lions Clubs.

## Klemm Gets Action On Duck Blinds In Chain

In response to a request by State Rep. Dick Klemm (R-63) the Illinois Dept. of Conservation has tightened regulation of duck blinds on Grass and Upper Nippersink Lakes.

In a letter signed by Michael Witte of the department of conservation, Klemm was informed that 31 class B blinds will be allowed and shall be voluntarily removed by

May 1 following the season. The other five blinds will be class A (of floating construction) and must be removed by May 1.

All blinds must be marked on each post with reflective tape at all times.

If the voluntary removal program is unsuccessful, the DOC will consider mandatory action for the next season.

## To Hold Country Jamboree

Get ready for the Lambs Annual Country Jamboree Celebration on Sunday, July 13, from 11 a.m. to 7 p.m. The Lambs is located at the junction of Rte. 1-94 and Rte. 176, two miles east of Libertyville.

Sponsored by WMAQ Radio, The Country Jamboree will once again feature country music stars, WMAQ radio personalities, gourmet food and a variety of summer entertainment for the entire family.

Both admission and parking are free; however, a \$2 donation at the gate will be appreciated. Proceeds directly benefit The Lambs, a not-for-profit community for mentally retarded

adults. Additional parking will be available in parking lots of surrounding businesses where free shuttle bus service will be provided to and from The Lambs grounds.

Sunday's spectacular lineup of performers include the group Exile known for their hits "Kiss You All Over," "Give Me One More Chance," and "Woke Up In Love With You." Their current hit is "Super Love."

Restless Heart will sing their current hit "Till I Loved You," and Jump in the Saddle Band known for "The Curly Shuffle" will round off the day's entertainment along with J.D. Bell and The Silver Spurs

Band, Johnny Elders and the Midnight Cowboys, and Free Wheel.

The Lambs Country Inn Restaurant will be closed the day of the Jamboree; however, refreshment booths will be serving a variety of food, from snacks and sandwiches to heartier fare. Beverages will also be available.

All of The Lambs Country shops, including a Country Store, Pet Shop, Ice Cream Parlor, Card and Gift Shop, Children's Farmyard and Thrift Shop will be open from 9 a.m. to 7 p.m. For more information, call The Lambs Events Hotline at (312) 362-6774.

## Dining/Entertainment

### Great America Schedules KIDSFEST Celebration

Six Flags Great America's fun-filled celebration for the young and the young-at-heart, returns to the family entertainment center, for the second consecutive year, July 14 through July 27, with a fabulous line-up of entertainment and special admission price for kids.

Children ages four to 10 will be admitted to the park for half-price when accompanied by a paying adult!

Guests of all ages will enjoy the exciting and diverse line-up of special events and entertainment Great America has planned during this two-week festival. Special activities can be found throughout the park.

The first sign of KIDSFEST can be seen as soon as guests enter the park in Carousel Plaza, where the famous Pennzoil Indy 500 race car will be displayed July 14-19. Just around the corner will be Great

America's bike Safety Rodeo, which will be held every day in Pictorial Plaza. Prizes will be awarded to the most conscientious and courteous "riders!"

Hometown Square's special event stage will be filled with entertainment. The 1986 Double Dutch Jump Roping World Champions will hop, bop and stomp on the stage July 19 and 20. The young talent of the Chicago City Ballet's Junior Co. will grace the stage July 20 and 26, and the youngest clogging group in the Midwest, the Kalico Kid Cloggers of St. Charles, Mo., will perform their free-style square and line dances July 26 and 27.

Everyone's favorite clown, Bozo, will be on hand to give his pals an autographed photo July 21-25, and Spiderman will be autographing comic books July 14-18.

Also on hand to join in the fun will be Bugs Bunny(TM) and all his Looney Tunes(TM) friends.

At the Elm Street School House, guests will be greeted with Chicago's Express-Way Museum's colorful and imaginative hands-on exhibit, Transformation. Here, children will have the unique opportunity to learn firsthand the theory of transformation by creating their own mesh designs and Oragami, and by experimenting with a 24-foot colorforms exhibit.

While there, kids can also color to their heart's content on Great America's giant coloring board.

In the American Eagle Arena in County Fair, the United States Gymnastic Federation's number one-ranked American Academy of Gymnastics Team will perform several shows daily July 18, 19, 20, 25, 26 and 27.

There's coloring contests

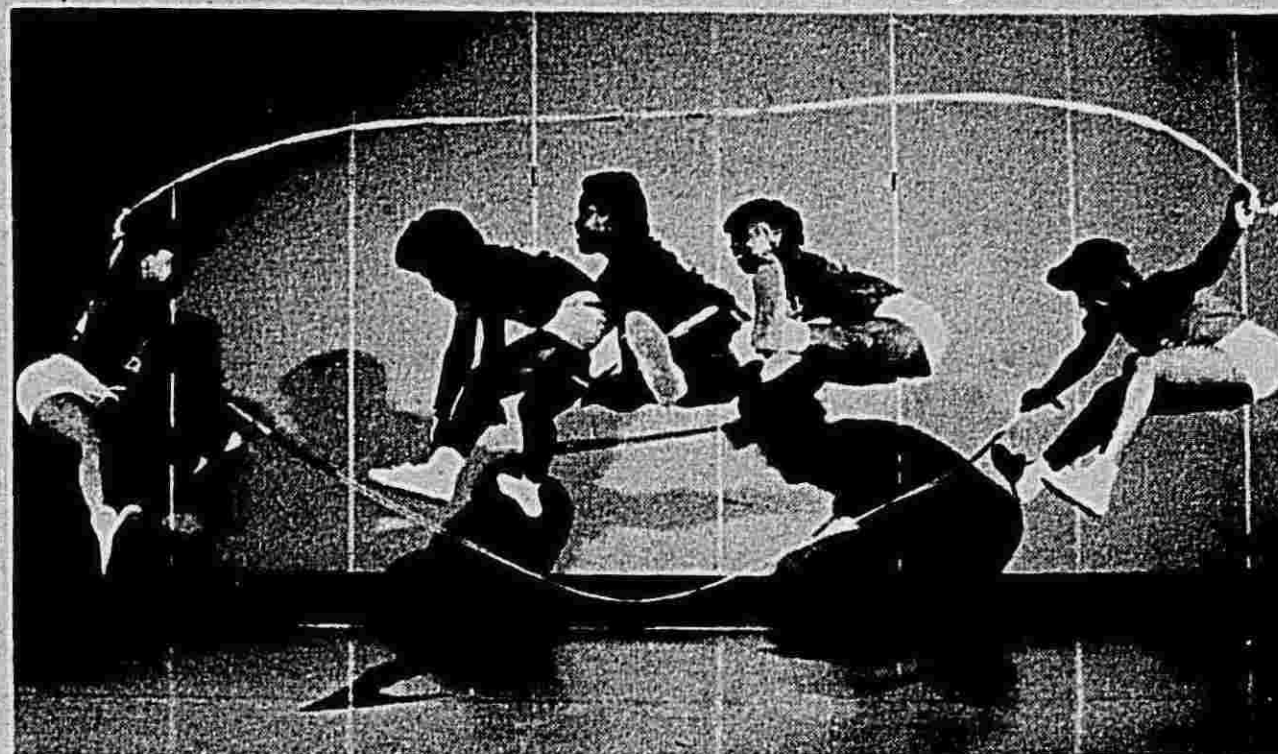

and lots of prizes awarded every day over in Bugs Bunny Land in Yukon Territory. And in front of this acre of pint-sized fun, Zurich-American Insurance Companies presents 'KID-PIX,'

July 15-20, a free-of-charge color photo identification program for children ages four to 10.

In front of Theatre Royale, youngsters can twist and shout during the park's special hula-hoop contests,

held daily during KIDSFEST.

Kids will want to enter our Kiddie Ride Contest, which challenges kids ages four to 10 to ride all the specially marked children's rides in the park.

### Rococo's Aid MDA

Rocky Rococo's is sponsoring a fund raising program to help Jerry Lewis and the Muscular Dystrophy Assn. in fight against neuromuscular diseases, George Foster, Rocky Rococo's field system manager announced.

#### Dean's List

Milliken University student Jeanette Hope of Antioch was named to the dean's list for academic achievement during the spring semester. A May graduate in nursing, Hope is a 1982 graduate of Antioch High School and is the daughter of Charles and Betty Hope.

Rocky Rococo's will offer a free slice of pizza to the first 1,000 customers who donate \$1 or more. All proceeds will go to benefit the Muscular Dystrophy Assn.

The Rocky Rococo's/MDA campaign will begin at 11 a.m. on Monday, July 14 at the Rocky Rococo's in Park City at 3355 Belvidere Rd.

"We're proud to be a part of this worthy effort," said Foster, "and we're looking forward to making a sizable contribution to the Muscular Dystrophy Assn."

For more information, call Dave Damato at (312) 746-1337.

### Offer Fitness Class

Good Shepherd Hospital offers a 10-week fitness program that teaches weight control through improved nutrition and regular exercise.

Trim Team classes are led by a registered dietitian and licensed physical therapist. An individualized diet and exercise program is developed for each participant.

Fee for the program is \$85. Registration is required. For further information, or to register, please call Good Shepherd Hospital at (312) 381-9353.

### In 'California Suite'

Riptide's Restaurant's Luncheon Theater will open with a new production of 'California Suite' on July 15. Appearing for Four Star Productions will be, from left, Lou Lanciloti, Lillian Allen, Bill Bunton and Yvonne Alton.

# Urge Youth To Join Tell World Group

Singers from high school age through the upper 20's are invited to join Tell The World contemporary choir for the 1986-87 singing season. Rehearsals will be held on Sunday evenings at 7:30 p.m. and concerts will be presented at churches in the community and surrounding area by the group.

The highlight of this year's season will be the choir tour from March 28 through April 5, 1987 to Florida. This will include concerts in Louisville, Nashville, Atlanta, Orlando, Daytona, and at Walt Disney World and Sea World.

Tell The World is sponsored by the Evangelical Free Church of Wauconda

and is directed by Walt Martin of Island Lake. Martin, a graduate of Valparaiso University and his wife Miriam, a Wheaton College graduate, organized Tell The World in 1979. Since that time, the group has presented 148 concerts in the Chicagoland area, including two appearances on the Chicago Sunday Evening

Club on Channel 11.

"Here is a chance for Christian young people to make a musical contribution to the community while enjoying the social contact with like minded guys and gals," said Assistant Pastor Christopher Barnes, who has a special interest in this group.

Those who participate need not belong to the Free Church, and a number of denominations are represented. This will be the seventh year for the group.

Currently, there are members of the group from Wauconda, Mundelein, Gurnee, Libertyville, Antioch, Johnsburg, Wonder Lake, Carpentersville, Dundee, Elgin, Island Lake, and even Kenosha.

Members of Tell The World returning from last year's group are: Soprano — Vici Clarke, Cindy Lesperance, Joy Martin, Pam Martin, Chris Or-

mann, Lara Pohlman, Jackie Pahl, Jeanette Ray, Tabra Ray, Julie Robinson, Amy Sheppard and Brenda Vick; Alto — Pam Bernhardt, Anna Firnbach, Heather Ghera, Molly Ginter, Patty Hagland, Dianna Hill and Sherry Hutchins; Tenor — Greg Boyd, Tim Bryant, Jeff Cook, Jeff Ginter and Mike Nelson; Bass — Jim Long,

Bill Ortmann, Paul Vick and Steve Zon.

Young men and women who would like to participate or would like more information are invited to call the Martins at (312) 526-8306 for details. Churches which would like to have the group sing for them are invited to call now to arrange dates for the 1987 season. First rehearsal is Sunday, July 27.

## Lake County Fair To Run Five Days

The Lake County Fair will be held July 23 through 27 at the Lake County Fairgrounds, Rtes. 45 and 120, Grayslake.

Highlights of the fair include three rodeos; two demolition derbies; truck, tractor and horse pulls; an auction of champion livestock; a talent contest; a politicians' hog-calling

competition; and a beauty pageant.

The fair also offers an estimated 13 thousand agricultural and artist exhibits, various commercial exhibits and a midway which includes rides and food. Admission to the fairgrounds is \$3 per day. Children 12 and under are admitted free. Senior

citizens are admitted to the fair for \$1.50 Wednesday through Friday. A season pass is available for \$7.50 per person.

Visitors should enter from Center St. or Rte. 120. The Rte. 45 gate is for exhibitors only.

## Bubble Blowing Set To Go Wild

Children, families, adults and everyone who was ever a child is invited to participate in the International Bubble Blowing Extravaganza on Saturday, July 12 from 1 p.m. to 3 p.m. A rain date is scheduled for Sunday, July 13.

The event will occur in Wehmhoff Square Park, downtown Burlington, during the three-day weekend Summer Fun Market with outdoor antique vendors and other special activities.

Thousands of bubbles will fill the air and float in the heart of Burlington as participants of all ages blow bubbles at 1:30 p.m. when the fanfare sounds and bubble blowing continues for 15 minutes.

Each person should bring their own bubble solution, bubble pipes, blowers, wands, or other bubble making devices.

It will be an excellent time for photos. "This is probably a world-wide first and an amazing number of simultaneous bubbles can be seen," said Judith Schulz, organizer of the event. She added that it was "good, clean" fun from a scientific wonder.

Other features of the Bubble Extravaganza are demonstrations at 1 p.m. of the patent pending invention called the "Bubblething" which produces three foot to 10 foot bubbles, inventing ones own bubble blowing devices, and bubble relays.

Antique and modern bubble pipes and devices will be on display at the Burlington Public Library July 11, 12 and 13. The library is next to the park where the event is being held.

Certificates of participation and self-keeping records for sizes and distances will be available. Children and adults who have made any kind of bubble blowing device can demonstrate their own inventions.

These can be from any materials and may range from very simple to quite complex. Ideas and samples are available at Teacher Place and Parent Resources, Burlington. More information is available by calling (414) 763-3946.

This is a cooperative event with all participants making it a success. Photo possibilities abound. The sight might even produce a Guinness record.

## Youth Program Gets Donation

The Lake County Forest Preserve Dist. has received a \$300 donation from Nosco, Inc. of Waukegan, in support of the 1986 Youth Conservation Corps (YCC) Program. YCC also received a donation of \$75 from Charles Ofenloch, president of the Bank of Waukegan.

YCC Program is a co-

educational work/learning program offering Lake County youths ages 16 to 18 work experience in a natural environment of various Lake County forest preserves.

The program is funded through grants and donations from local businesses, corporations and individuals. All funding is used to pay youths' salaries,

## Plan Magic Show

Bob Garner will perform his unbelievable magic and mentalism at 3, 4, 5 and 7 p.m., July 10 and 11, at Lakehurst Mall's Center Court.

Garner, who has appeared at top hotels and colleges across the country, will startle and entertain audiences with his fast-paced magic shows featuring mystery, humor and audience participation.

For his greatest stunt, Garner will attempt to cut WXLC disc jockey, Rich Padgen, in half with a Black and Decker electric saw during his finale at 7 p.m. on Friday.

All magic shows are free to the public at Lakehurst Mall, located just off Rte. I-94, at the intersection of Belvidere Rd. (Rte. 120) and Waukegan Rd. (Rte. 43).

## 51 Veterans Enjoy Twin Lakes

TWIN LAKES—Fifty-one veterans from the North Chicago Veterans Administration Hospital were entertained royally at a recent one-day outing held on Lake Mary of Twin Lakes, in Kenosha County, by the Albert Emmerich Memorial Post 255 of the AMVETS of Buffalo Grove, of which Tom Fitzgerald, Twin Lakes, is commander.

The day also was perfect weather-wise, with a bright sun affording the vets to be out-of-doors in short sleeves as many of them were lazily moved about Lake Mary on pontoon boats.

Some of the vets, who asked to wet lines, also fished. And even the fish cooperated that day. Although out on the water for

slightly more than an hour, they brought in 35 bluegills, at least three of them being hand-size.

Bobbie and Larry Majewski of the Pink House Resort prepared a delicious buffet lunch on their grounds. Many volunteers, including Bruce Christensen, Twin Lakes' barber and future wrestling star, helped serve the vets their meals.

Jim Mayer, president of Twin Lakes Village, a popular resort area, in Kenosha County, helped coordinate the event. President Mayer also provided the fishing bait, productive red worms.

Hospital staff personnel included nine members, two of whom were the bus drivers who drove the vets to the outing headquarters.

Among political figures who took time out from busy schedules to break with the veterans were Kenosha County Sheriff Fred Ekor-naas; and legislators Joseph Andrea and Cloyd A. Porter.

The Aquanauts Junior Water Ski Show Team provided a short performance for those veterans and staff who did not take to the boating and/or fishing program.

This was the seventh annual veterans' party sponsored by the Buffalo Grove Post.

## Star Rehearses

Four Star Productions will open its second show of the season with Neil Simon's "California Suite" at Rip-tides "Theatre on the Bay" in Johnsburg.

Appearing in this hilarious comedy will be Bill Bunton, Lou Lanciloti, Lillian Allen and Yvonne Alton. Each of these actors is well-known to the area and each will portray several different characters, displaying their wide range and flexibility.

"California Suite" consists of four playlets, each taking place in Suite 203 at the California Hilton, and moves from sensitive moments to darn right convulsive laughter. Under the direction of Anne-Marie Cina, well-known and respected

for her acting, directing and writing abilities, the audience will view Simon at his best.

Opening July 15, "California Suite" will run through Nov. 20. An attractive luncheon/theatre package is available Tuesday, Wednesday and Thursday. Lunch is at noon and curtain at 1:30 p.m. Sunday brunch/theatre will begin at 1 p.m.

# Lore Of Wild West Coming To Wauconda Chamber Rodeo

The Wauconda Chamber of Commerce's 23rd Annual Championship Rodeo will take place Friday through Sunday, July 11-13 at the rodeo grounds on Rte. 12, one mile north of Rte. 176, Wauconda.

An International Professional Rodeo Assn. rodeo which draws some of the world's finest cowboys and cowgirls competing for

world championship points, the event includes bull riding, calf roping, saddle bronc riding, bareback bronc riding, barrel races and steer wrestling.

Rodeo hours will start at 8 p.m. both July 11 and 12, and from 3 p.m. on July 13. A special offer will allow one child free entry for every paid adult on Friday, July 11 only.

Tickets are available through Chamber merchants at various locations throughout the village. Special group rates are also available. For information, call (312) 526-8553.

The rodeo will be accompanied by a Rodeo Round-up Days in Wauconda featuring sidewalk sales, an art fair, free pony rides, free

balloons and musical entertainment provided by "Skeeter and Scotty." The Wauconda group has won several county fair country music play-offs.

On Sunday, July 13, there will be a remote radio broadcast on WAIT, featuring well-known disc jockey Mark Edwards.

## Enrollment Up Two Percent

The full-time equivalent enrollment is up two percent at the College of Lake County, according to figures from the college's office of institutional research.

Though the total number of students dropped by 11 percent, CLC students are taking more credit classes during this summer when compared to the summer semester of 1985.

This summer, 6,294 students enrolled with a full-time equivalent (F.T.E.) of 1,310 students, as compared to a total enrollment of 7,106 and an F.T.E. of 1,284 for last summer. The F.T.E. is computed by dividing the total number of credit hours by a typical full-time course load (15 hours).

Statistics show that 60 percent of the students are women, 85 percent are part-time and day courses account for 51 percent of the enrollment. The average age of the CLC students has dropped from 29 to approximately 28 years of age

when compared to last summer.

Students enrolled in career programs account for 45 percent of the student body, while 36 percent are in college-transfer programs, 10 percent in other

programs.

New students account for 18 percent of those enrolled, with 40 percent continuing students, 28 percent returning students and 14 percent transferred to CLC from other institutions.

## Company Gives YCC Funds

Print-O-Tape of Lake Bluff, has donated \$200 to the Lake County Forest Preserve District.

The contribution was made to support the Youth Conservation Corps (YCC) Program for this year.

The YCC Program in its thirteenth year was initially supported with federal grants. When federal funding ended in 1981, a group of private individuals formed an Advisory Committee. The YCC Advisory Committee has continued to raise funds to pay salaries for eight weeks of full-time summer

employment for Lake County youths ages 16 to 18. The work program offers participation in conservation and construction work at various Lake County forest preserves.

Donald Strenger, President of the Lake County Forest Preserve District stated, "all monies contributed go to pay salaries of the YCC youths. The District is very appreciative of Print-O-Tape's contribution to this worthwhile program with its contingent upon fundraising."

## Is the rest of your life worth three hours of your time?

you!

One of life's most joyful experiences—having a baby—is now even more special thanks to **Rock-A-Bye Club**, a unique free program at Northern Illinois Medical Center. Any expectant mother may enroll in NIMC's **Rock-A-Bye Club**, whether or not she intends to deliver here. The club includes a series of timely newsletters about the stages of pregnancy, childbirth, nutrition, relationships, siblings, and preparing for the big homecoming with the precious little bundle.

A special benefit is the sponsor booklet featuring discount coupons or free gifts from area businesses. NIMC's outstanding prenatal series covering the three trimesters of pregnancy answers questions for both parents, siblings and even grandparents. And the classes are free, too!

**Rock-A-Bye Club** can be one of the most beneficial memberships a mom-to-be ever enjoys. It's an extraordinary program for an extraordinary time in life, and will enhance the childbirth experience for first time mothers or those who have had a baby.

To join **Rock-A-Bye Club**, call NIMC at 815/344-5000, or look for the rocking horse label or membership card display in local stores. She can't keep the news under her hat, because NIMC knows about your great expectations.

# Lakeland Area Gets Clobbered By Storm

Fox Lake, Lake Villa and the Round Lake area were hardest hit by the storm that battered part of the Lakeland area the evening of Sunday, July 6.

The worst part of the storm hit Lake County Between 7 and 8 p.m.,

leaving Lindenhurst without power for most of the night.

In Fox Lake, power was not restored until mid-morning on Monday. The village was down to one water well with capabilities of only pumping 100 gallons per minute because of power

outages. Emergency generators were pressed into use to operate lift stations to prevent sewage backups.

Fox Lake and other areas were littered with limbs and debris. A large tree fell across Wilson Rd., between Rollins Rd. and Rte. 134, blocking traffic momentarily.

The Bi-State area suffered some power problems, especially Bristol.

Wind gusts of 65-mph were reported as well as funnel clouds, but no confirmed touchdowns. There were unconfirmed reports of water spouts on Lake

Michigan.

Extensive flooding occurred at Grand Ave. and Rte. 12, which is always a trouble spot.

Fox Lake Mayor William Dam called for formulation

of a new "disaster plan to deal with fallen live wires. "This is the most wires down I've seen in the 40 years I've lived here," Dam stated at the council meeting Monday night.

## Dean's List

Joel John Bissing, son of Mr. and Mrs. Joseph J. Bissing, Lindenhurst, a sophomore at Iowa Wesleyan College, Mt. Pleasant, Ia., made the dean's list for the spring semester.

## Set Seminar

The Central Lake County Arthritis Action Council will meet at 2 p.m., Sunday, July 13, at the cafeteria of Condell Memorial Hospital in Libertyville.

For more information about the council and its activities, please call Condell Hospital, Physical Therapy Dept. at (312) 362-2900, Ext. 5350.

Schaffer was a sergeant in the United States Army, stationed in Germany.

## Lakeland Students Receive Assistance

Several students from the Lakeland area received financial assistance for the 1985-86 school year through programs administered by the Illinois State Scholarship Commission, State Rep. Dick Klemm (R-63) said.

The Scholarship Commission annually awards scholarships through the Monetary Award program and the Guaranteed Loan program. In addition, outstanding high school seniors receive Certificates of Merit recognizing their achievement, through the Illinois State Scholar program. During 1985-86, 278 area students were named Illinois State Scholars.

"Many students would be unable to attend college without these programs," said Klemm. "The Monetary Award program awards provide essential money to students who simply cannot afford higher education, while the Guaranteed Loan program helps students with

less critical financial needs secure low-interest college loans. And, even though the State Scholar program does not provide money, it recognizes the hard work and scholastic achievements of our outstanding high school seniors."

Klemm said the Monetary Award program provides funds for tuition and mandatory fees charged by a college for half-time and full-time study. The awards are generally limited to those applicants with the least family resources to meet college costs.

The Guaranteed Student Loan program provides an alternative to those students who do not meet the financial requirements of the Monetary Award program. Students receive low-interest loans through private institutions to be used for college costs.

Following is a list of the number of recipients and the

total allocation of grants in each Lakeland area town:

**Monetary Award Program:** Fox Lake — 36 recipients, \$43,962 (grants); Ingleside — 41 recipients, \$67,952; Island Lake — 12 recipients, \$17,883; McHenry — 184 recipients, \$307,555; Mundelein — 134 recipients, \$217,032; Wauconda — 65 recipients, \$101,772; Grayslake — 47 recipients, \$70,309; Ringwood — 2 recipients, \$4,200; Wonder Lake — 31 recipients, \$51,314.

**Guaranteed Loan Program:** Fox Lake — 31 recipients, \$79,699; Ingleside — 76 recipients, \$169,585; Island Lake — 15 recipients, \$36,698; McHenry — 334 recipients, \$726,652; Mundelein — 229 recipients, \$552,819; Wauconda — 104 recipients, \$220,420; Grayslake — 88 recipients, \$201,079; Ringwood — 6 recipients, \$11,385; Wonder Lake — 48 recipients, \$114,962.

## Hunting And Outdoor Show Comes To Grayslake

The All-Midwest Hunting and Outdoor Show will offer outdoorsmen a range of seminars, demonstrations and activities Friday, Sept. 5, for a three-day run at the Lake County Fairgrounds in Grayslake.

John McKean will begin the seminar series at noon Friday, Sept. 5, explaining "Duck and Goose Calling Techniques." A leading expert on duck calling, McKean will repeat this session a 4:30 p.m. Sunday, Sept. 7.

Bear-hunting authority Glenn Helgeland's session on "Baiting for Black Bears" will be presented at 3 p.m. Sept. 5. His tips on "Scouting for Whitetails" will be offered at 3 p.m. Sept. 7.

More activities, such as a turkey calling contest, a turkey shoot, a duck calling

contest, and outdoor cooking demonstrations, will round out the schedule of events.

Show hours are Friday, Sept. 5, and Saturday, Sept. 6, 10 a.m. to 9 p.m.; Sunday, Sept. 7, 10 a.m. to 6 p.m.

Admission is \$5 for adults,

children 6 to 12, \$2.50; children five and under, free. The Lake County Fairgrounds are located at Rtes. 120 and 45.

For more information, call (312) 299-3131; outside Illinois, call (800) 323-5155.

## CLC Introduces Tuition Plan

The College of Lake County has introduced a deferred tuition plan for students whose tuition and fees exceed \$75.

Payment in three installments will be accepted with the first payment due at registration. There will be a \$10 fee charged payable at the first payment. The plan is effective as of July 21, the

first day of registration, and will apply to the fall, 1986 semester, which begins Aug. 25.

About one-third of the total will be due at each installment.

For more information on the deferred payment plan, call the college's business office at (312) 223-6601, Ext. 230.

## Order Aspirin: Cubs, Browns and Politics!

by JOHN STEINKE

Once again, the Chicago Cubs will need the plane crashes to win the NL Eastern Division this year. Deposed coach Don Zimmer concluded, "I don't think God could make this team win." I'm so frustrated that I'm prepared to distribute two bumper stickers: I Was Alive In '45 and Dump Dallas. But do you know that there was one defunct baseball franchise that compiled a worst record than our Cubs? It was the St. Louis Browns.

The Brownies won the only pennant of their 52-year American League existence in 1944 when most of baseball's star players were overseas fighting the Nazis and the Japanese during World War II. They finished in the cellar nine times, and in seventh place 12 times between 1902 and 1953. Their lifetime .433 won-lost percentage is the lowest of any team that ever played 15 or more seasons in the majors.

The St. Louis Browns also recorded the lowest attendance figure of any major-league team since 1901. The 1935 Browns drew only 80,922 fans at home. The team finished seventh in the eight-team American League with a 65-87 record, 28½ games behind the pennant-winning Detroit Tigers and 5½ games in front of the last-place Philadelphia A's. St. Louis played at home on 57 dates. They played 19 doubleheaders at Sportman's Park. The franchise averaged only 1,420 in attendance per home date.

## Steinke On Politics

Like the hapless Cubs, the hopeless Browns experienced their moments in baseball history:

July 29, 1908 — Pitcher Rube Waddell struck out 16 batters as the St. Louis Brown beat his former team, the Philadelphia A's, 5-4.

July 25, 1918 — Pitcher Walter Johnson of the Washington Senators pitched a four-hitter over 15 innings before winning 1-0 over St. Louis. The only hit off Johnson in the first 11 innings was a triple by George Sisler.

Aug. 23, 1931 — Pitcher Lefty Grove of the Philadelphia Athletics was beaten 1-0 by Dick Coffman, snapping a personal 16-game winning streak.

Sept. 30, 1944 — The St. Louis Browns won the pennant! Outfielder Chester (Chet) Laabs batted only .234 in the Browns' championship season and entered the final game with only three home runs. But he hit two homers against the New York Yankees and the Browns won, 5-2, and became American League champions when the Detroit Tigers, with whom they had been tied, lost to Washington, 4-1. This game drew the only

capacity crowd in the Brown 52-year history.

The 1944 World Series — The Browns' victory produced the only all-St. Louis World Series in baseball history. The Cardinals beat the Browns in six games for the world championship.

1945 — Perhaps the symbol of wartime baseball was the St. Louis Browns' Pete Gray, a one-armed outfielder. Gray had 51 hits (in 234 at-bats for a .218 batting average) in 77 games for the Browns. He had six doubles, two triples, no homers, 14 runs batted in and five stolen bases.

1951 — Pitcher Ned Garver, a right-hander, is remembered for the 20-12 record he posted, when the team was 52-102 overall. Garver was the only hurler to win 20 games for a team which lost over 100 games.

Aug. 19, 1951 — Eddie Gaedel, a 43-inch midget, made his first and only plate appearance as a pinch-hitter for the St. Louis Browns Frank Saucer. Detroit Tiger pitcher Bob Cain walked him on four pitches, and then Jim Delsing ran for Gaedel.

May 6, 1953 — Bobo Holloman pitched the Browns' last no-hitter, a 6-0 victory over the Philadelphia A's. Holloman recorded two more victories, and then disappeared from organized baseball.

The St. Louis Browns went out-of-business in 1953. They were last that year, with a 54-100 record, and were 46½ games out of first place. They moved to Baltimore and became the Orioles in 1954.

The Browns' farm system, without much capital, developed such outstanding players as C Sherman Lollar, C Les Moss, 2B Johnny Berardino, SS Vern Stephens, OF Al Zarilla, OF Roy Sievers, P Ned Garver, P Don Larsen and P Bob Turley. Now, what did GM Dallas Green do with the outstanding players in the Cub farm system? Do you remember P Don Schulze, P Craig Lefferts, P Jay Howell, C Bo Diaz, 1B-OF Carmelo Martinez, SS Scott Fletcher, SS Dave Owen, 3B Fritz Connally, OF Mel Hall, OF Billy Hatcher and OF Joe Carter? With the exception of Shawon Dunston, Dumb Dallas has traded away the future of the Chicago Cubs.

Dallas Green was a major-league pitcher before he became a baseball executive. Here are the names of some former Cub pitchers that he traded away or released: Willie Hernandez, Rick Reuschel, Rich Bordi, Bill Caudill and Mike Krukow. Would any of my 12 readers have signed the 35-year-old third baseman Ron Cey to a lucrative five-year contract? Only Dallas Green really believes that Keith Moreland can patrol right field. Moreland couldn't outrun a glacier! If Green had exercised some patience and wisdom, this lineup would have graced Wrigley Field: C Jody Davis, 1B Leon Durham, 2B Ryne Sandberg, SS Shawon Dunston, 3B Pat Tabler, LF Billy Hatcher, CF Mel Hall and RF Joe Carter.

Let's start a "Help Hustle Dallas Home" fund to buy a one-way ticket to Philadelphia.

# Sights From The Fourth Of July Festival

## Festival '86

Antioch annually presents one of the most jubilant Fourth of July festivals in the county. Some of the sights seen at this years extravaganza included, clockwise from top left: a Jaycee volunteer about to go under after a little boy hits the bullseye on the dunk tank; a young fellow taking his swing in one of the T-ball games that continued throughout the day, a baby girl riding the ponies with the help of her mother (it is pure coincidence that the girl and mother happen to be the daughter and wife of the Antioch news editor), an eagle-eyed contestant in the horseshoe competition; a replica of the Statue of Liberty in the parade down Main St.; the ever popular firemen's waterfights; Body Electrix, the parks and recreation departments tumbling team; and Dawn Kamradt, Miss Congeniality and First Runner-up in the Miss Antioch Pageant.

# State's Attorney's Office Victory Names Miller Chairman

## Makes Staff Changes

Lake County State's Attorney Fred Foreman has announced several staff changes within his office. Chief Deputy State's Attorney James Bakk, who has been with the county since 1979 and succeeded Judge Gary Neddenriep as chief deputy state's attorney, will join the Waukegan law firm of Lonchar, Nordigian & Radosovich.

Bakk will replace Judge John Radosovich, who recently was named an associate judge.

Foreman appointed Helen Rozenberg as chief deputy state's attorney to replace Jim Bakk. She presently serves as chief of the Civil Division. With her appointment, she becomes the first woman to head the Civil Division in the history of the state's attorney's office. As chief deputy state's attorney, she will serve with Chief Deputy State's Attorney Michael Fritz as second-in-command in the Foreman administration.

Fritz replaced Judge Raymond McKoski as chief deputy state's attorney in the Criminal Division in 1985.

Foreman has appointed Larry Clark chief of the Civil Division to replace Rozenberg. Clark has experience both in the Criminal Division, in private practice with the firm of Drew and Waller, and in the Civil Division.

Also effective Sept. 1, Victoria Martin, who has been a key prosecutor in the Criminal Division and one of the four recent finalists for associate judge, will transfer to the Civil Division as a trial lawyer.

Claudia Hoogasian has been appointed chief of the Administrative Division to supervise child support enforcement and other administrative support functions within the office. Miriam Goldsmith will be assigned as an assistant state's attorney in the support division. Deborah Patinkin, a former assistant state's attorney in both the criminal and civil divisions, will return to the office on a part-time basis.

Effective Aug. 1, 1986, Randall Stewart will become chief of the Juvenile Division. Stewart is presently chief of the Traffic Division and has experience as an assistant public defender. His replacement will be Ted Potkonjak, presently a member of the Career Offender and Narcotics Unit. Victoria Rossetti, chief of the Juvenile Division for two years, has been named chief of the Misdemeanor Division. She replaces Steve McCollum, newly appointed chief of the Felony Review Division.

Elizabeth Maring, an assistant state's attorney in the Traffic Division will join the Waukegan law firm of Hall, Holmberg, Roach, Johnston & Fischer.

Other promotions include George Strickland, acting principal assistant state's attorney assigned to Judge Jack Hoogasian and Kevin Robison to acting senior assistant state's attorney in Felony Review.

Luis Berrones will join James Booras and Scott Gibson in the Career Offender and Narcotics Unit. The following assistants will be assigned to felony courts: Margaret Mullen will be assigned to Chief Judge William Block; David DeRose will be assigned to Judge Fred Geiger; Jeff Pavletic will be assigned to Judge John Hughes. Victoria Martin will remain before Judge Bernard Drew; Patrick Quilty will remain before Judge Charles Scott, and Robin Goodstein will remain with Judge Lawrence Inglis.

**Official Newspaper**  
Your local Lakeland Newspaper is the official newspaper of this community, authorized by statute to publish legal notices required by law.

J. P. Miller, a resident of Waukegan for many years and a member of several community organizations, including the Salvation Army, has accepted the volunteer position of general chairman of Victory Memorial Hospital's fund raising campaign that begins this month.

The appointment was announced by Donald Wasson, president of Victory Memorial Hospital. "Victory is fortunate to have the leadership of Miller and his capable chairpeople, William Martin of Waukegan — a member of the Victory Health and Human Services Corporation, and Robert Price — a member of the Victory Development Foundation Board," Wasson said.

Miller stated that Victory's five-year fund raising goal is to raise 1.75 million dollars, which will enable the hospital to extend its primary mission — providing the highest quality medical care to the community.

Miller also stated that the commitment to the growth and development of Victory Memorial Hospital will help many projects and programs become a reality. Approximately 70 percent of the combined estimated cost for expanding programs will be funded by the hospital through board designated funds.

Victory needs the remaining 30 percent funding to be raised through community and corporate contributions. Donors will be able to pledge over a period of three to five years. In addition, the hospital will offer the opportunity for designated gifts to be directed to specific areas with the expanded programs. The campaign begins with a kick-off luncheon on July 15.

Victory Hospital is an acute-care, not-for-profit corporation, that has been serving Lake County residents for more than 95 years.

## To Attend Lawrence

John Leuder of Gurnee has announced he will attend Lawrence University in Appleton WI. this fall.

Leuder competed in cross country, basketball and track and basketball in high school, earning a total of eight varsity letters.

Leuder highlighted his senior cross country season with a second-place finish at the Prairie Invitational.

Lawrence, an NCAA Division III school, competes in the Midwest Conference.

# Babcox Banks On 'Gag' To Win With Litwiler

by JOHN STEINKE  
Political Columnist

The first volley of the county clerk's race was fired when Democratic incumbent Linda Hess of Gurnee challenged her Republican opponent, Donna-Mae Litwiler of Ingleside, to a series of campaign debates.

Mrs. Litwiler rejected the offer, explaining the two candidates would be sharing the podium at public forums. GOP sources have informed Lakeland Newspapers that Mrs. Litwiler's refusal to debate was predicated upon strategy developed by her political mentor, Sheriff Robert H. "Mickey" Babcox.

The sheriff is perceived as the most powerful politician in Lake County. Babcox was Litwiler's principal supporter in her successful primary campaign against Wauconda Village Clerk Venita L. Mc-

Connel. In the March 18 GOP primary, Litwiler got 14,507 votes, or 57.4 percent of the vote. McConnel received 10,755 ballots or 42.6 percent of the vote.

Apparently, Babcox has determined that neither he nor Litwiler will debate their Democratic adversaries before the Nov. 4 election. Babcox's opponent is Sander P. Stagman of Highland Park.

The Republican organization will advertise Litwiler's candidacy with a heavy media campaign featuring billboards and posters on RTA buses. Litwiler's rejection of Hess' offer to debate represents a reversal of her position on this matter. Prior to the spring primary, Litwiler admitted to Lakeland Newspapers that it would be necessary for her to debate Democratic incumbent Linda Hess in order to maintain

her political credibility. Apparently, the Republican leadership believes a low-visibility campaign will enhance Litwiler's chances in the fall election.

The Democrats have controlled the county clerk's office for the past 16 years. In 1970, Grace Mary Stern of Highland Park defeated incumbent Republican County Clerk Truman Gerretsen by 904 votes out of 92,974 cast in the election. Stern became only the third Democrat elected to Lake County office since the Civil War. Until 1970, only one Democratic sheriff (1890) and one Democratic county clerk (1934) had broken the GOP reign over the county offices.

In 1974, Stern became the first Democrat

ever reelected to county office. She defeated Margaret W. Metzler, executive secretary of the Lake County Republican Central Committee, by 20,686 votes. Stern captured 16 out of 18 townships, losing only Cuba and Ela Twps. to her GOP opponent.

Mrs. Stern easily won a third term in 1978 as county clerk, outdistancing County Board Rep. Helen Amendola by 21,990 votes. In addition, she carried 15 out of 18 townships, losing only Cuba, Ela and Shields Twps. When Stern vacated the office in 1982, Democrat Linda Hess defeated Republican Harry Thomas of Libertyville by 355 votes out of 111,187 ballots cast in the election.

## Free Literature On Hess Available

Lake County Clerk Linda Hess has announced that a free hand-out card is available to the public for the Nov. 4, 1986 election.

The card, which will be distributed throughout Lake County during the next four months, stresses the importance of retaining two-party government in Lake

County.

Hess states, "The race for Lake County clerk this year will be an extremely important one, since voters will decide if they wish to keep a check and balance system alive in the Courthouse by retaining two-party government with my reelection, or if they wish to

return to the pre-1970 days of one-party rule."

Copies of the card may be obtained free-of-charge by contacting Debbie Jaros, public relations director, 32961 Rolling Hills Rd., Wildwood, IL 60030, (312) 223-2333, or by calling the Reelect Linda Hess Campaign, (312) 680-8019.

## Frederick Analyzes Newly Enacted Laws

State Rep. Virginia Frederick (R-59) has reminded citizens that a number of new laws, enacted during the 84th General Assembly, became effective July 1 in Illinois.

Frederick said one of the new laws is particularly significant. Public Act 84-1036 (SB 525) provides for regional reciprocal interstate banking between Illinois and its six neighbors: Missouri, Indiana, Iowa, Kentucky, Michigan and Wisconsin. In addition, the new law eliminates the five banking "regions" in Illinois, allowing banks from throughout the state to acquire other Illinois banks. Public Act 84-1036 also contains provisions for free checking for senior citizens, faster check clearing and community reinvestment.

Other new laws of interest to the general public include:

**Underground Storage Tanks (P.A. 84-1072)** — This law amends the Environmental Protection Act to require the EPA, in cooperation with the state fire marshal, to administer the Leaking Underground Storage Tank Program established by federal law. Persons who own underground storage tanks containing hazardous waste must register with the EPA; those owning underground petroleum storage tanks must register them with the state fire marshal.

**Sale of Firearms to Minors (P.A. 84-1074)** — Under this law, anyone convicted of knowingly selling or giving any firearm to any person under 18 who does not have a valid Firearm Owner's Identification Card, or knowingly selling or giving any firearm of a size which can be concealed upon the person to any person under

18, can be found guilty of a Class 4 felony, subject to up to six years in prison and fines up to \$10,000.

**Abused and Neglected Children (P.A. 84-1078)** — By expanding the list of those required to report under the "Abused and Neglected Child Reporting Act," this law should help identify more victims.

**Dentist Registration (P.A. 84-351)** — Dentists will be required to obtain a permit from the state before being allowed to administer general anesthesia or parenteral conscious sedation. Degreed dentists practicing in a hospital training program under supervision of a licensed dentist or physician are exempt.

**Uniform Transfers to Minors Act (P.A. 84-915)** — This law repeals the Illinois Uniform Gifts to Minors Act, creating the new Illinois Uniform Transfers to Minors Act. It regulates transfers of property to minors and increased the amount of money that may be transferred to an adult member of a minor's family as custodian from \$10,000 to \$50,000.

**Pharmacist Education (P.A. 84-186)** — Under this law, pharmacists are required to complete 30 hours of continuing education as a condition for license renewal.

**Liquor Control (P.A. 84-**

**1053)** — This new law will help local liquor commissioners identify applicants for liquor licenses who have been convicted of certain offenses, by allowing the Dept. of State Police to furnish records of convictions to local law enforcement officials.

**Nursing Home Patients (P.A. 84-955)** — Nursing home residents' private accounts will be protected from any unauthorized withdrawals by this new law.

**Handicapped Self-serve Gasoline (P.A. 84-877)** — Handicapped people will be able to take advantage of the lower self-serve pump prices at many gasoline stations under this new law. It requires the attendant at service stations with both full and self-serve pumps to pump gasoline at the self-serve price when a handicapped person, whose vehicle displays disabled plates or decals, pulls to the self-serve pump and requests assistance. The law does not apply at stations which only have self-serve pumps.

**Sewage Disposal (P.A. 84-670)** — This law prohibits the installation of any new private sewage disposal systems until drawings and specifications have been submitted and approved by the Dept. of Public Health. It also requires contractors to pass a written examination before receiving a license.

## Improved DUI Law Among Bills Approved By State

An improved Driving Under the Influence law and renewed efforts to combat functional illiteracy were among the highlights of the Spring 1986 legislative session, according to Secretary of State Jim Edgar.

"We have streamlined and clarified the new DUI law, and moved closer toward eradicating functional illiteracy in Illinois," Edgar said.

Legislation strengthening business laws was also approved during the session.

In all, Edgar cited seven bills sent to Governor Thompson which will impact on programs of the Secretary of State's office:

—Driving under the influence (DUI) legislation provides clarifying language for the new law which took

effect January 1, 1986. The bill also recognizes increased work for circuit clerks resulting from the new law by raising to \$30 from \$5 the fine counties can assess for DUI's.

—Funding for local literacy programs will be increased to \$4 million from \$2 million. Maximum grant awards to literacy organizations will go from \$50,000 to \$75,000.

—Funding for the 18 library systems within the State Library will be increased by 5 percent (\$826,716) to a total of \$17,361,044 to provide for better services to constituent libraries.

—Hospital personnel would be required to ask next of kin of a deceased patient to permit organ donations. The legislation will provide an effective back-up to support

organ donation wishes indicated on Illinois drivers licenses.

—Enforcement of the securities law would be enhanced by giving securities-investigators interstate subpoena power. The bill will make it more difficult for unscrupulous securities salesmen to ply their trade in another state.

—Business information concerning limited partnerships would be centralized in the Secretary of State's Office for the first time. This will allow for quick and easy retrieval of limited partnership business documents.

—Laws governing not-for-profit corporations would be made consistent with the Business Corporation Act of 1983.

## Mundelein Resident Elected To Board

The Medical Center of Lake County has announced that John J. Ring, M.D., a member of the medical staff of Condell Memorial Hospital in Libertyville, was reelected to the Board of Trustees of the American Medical Assn. (AMA).

Ring was also elected by the AMA Board as its vice chairman. Elected to the board in 1983, Ring has been a member of the AMA Executive Committee since 1985. Since 1984, he has served as an AMA commissioner to the Joint Commission on Accreditation of Hospitals.

In his first term, he represented the AMA before

the United States Congress giving testimony on medical discipline and licensure and on the Federal Trade Commission.

A past president of the Lake County Medical Society, Ring also represented the Illinois State Medical Society (ISMS) as an alternate delegate to the AMA

House of Delegates and also served as chairman of the AMA Council on Medical Service, chairman of a work group of the Health Policy Agenda for the American

People, and a member of its steering committee.

Elected a trustee of ISMS in 1977, Ring has chaired its committees on Health Planning and Redistricting. He

also is a founding board member of the Crescent Counties Foundation for Medical Care, the Peer Review Organization for Illinois.

He has served as an elected member of Condell Memorial Hospital's Board of Directors since 1978.

A resident of Mundelein, Ring is a specialist in Family Practice with offices in Mundelein.

## Breathing Easier

Illinois taxpayers should be breathing a little easier, in our opinion, that in the frantic final days of the spring session of the General Assembly, lawmakers put aside how to build a new White Sox stadium and passing enabling legislation so a millionaire could build a fancy race track in Lake County, and concentrated on such mundane business as liability insurance reform, "Build Illinois" economic development projects, tax increment financing, child protection, sex offender registration, radioactive waste control, home repair fraud regulation and scores of other "little" bills that add up to improving daily lives of the citizens of the state.

No, we're not going to bemoan the fact that efforts to relocate Arlington Park to Old Mill Creek got ensnared in differences over off-track betting, dog racing proposals and the personal animosity of two Democratic king pins toward each other, House Speaker

Michael Madigan and State Sen. Phil Rock.

As far as the White Sox are concerned, it's an insult to every taxpayer in Illinois that political leaders were dancing for the two wheeler-dealer owners, Jerry Reinsdorf and Ernie Einhorn, to wring out \$42 million in aid to build a new stadium to replace tired old Comiskey Park.

Without a doubt, we haven't heard the last of a world class equestrian complex for Lake County or whatever new idea Reinsdorf and Einhorn can dream up to get their hands into tax coffers. What is important is that the General Assembly made a start on solving problems involving liability insurance, albeit a very limited start, plus dealing with matters involving the serious side of life.

Once again, the results of the spring session can be characterized not so much for what lawmakers did, but what they didn't do.

## The Price Of Crime

Illinois' prison population has nearly doubled in the last 10 years, a fact which has contributed to a more than four-fold increase in the budget for the Dept. of Corrections. Inmate growth underscores the increasing prominence of prisons in the state economy. The Dept. of Corrections budget has ballooned from fiscal 1976 levels of \$92.4 million to \$413.1 million in fiscal 1985, an increase of \$320.7 million. Much of the budget increase stems from the prison population explosion itself. In 1976, Illinois' prisons housed 9,182 inmates. By 1985, Illinois' prison population reached 17,649.

Operations expenses account for 80.4 percent of the department's budget in fiscal 1985. And personal services accounted for 60 percent of the department's operations spending in FY 1985. In fiscal 1976, DOC employed 4,898 persons; in fiscal 1985, 9,939 persons were employed by the department. Personal services spending in fiscal 1985 was \$199.2 million, up 3.4 times from the \$58.8 million level in fiscal 1976.

And the corrections budget will continue to

grow rapidly as new facilities are opened in the near future. Statewide prison capacity will soon increase from 18,418 to 20,971 with the opening of two 900-bed, medium security facilities at Danville and Galesburg, the addition of 64 beds at Shawnee, 622 beds at Dixon and new beds at community correctional facilities.

Corrections officials say the prison population explosion is attributed to better prosecution methods and a tougher Illinois Criminal Code. Annual costs are estimated at \$15,416 for housing an adult inmate and \$25,723 for a juvenile. The difference in the support rates exist because there are far more adults than juveniles housed in Illinois facilities. (There were 1,136 juveniles incarcerated in Illinois facilities in fiscal 1985.)

What's happening in Illinois prisons is in direct response to the "get tough" policy demanded by citizens who continue to advocate stricter law enforcement and tougher sentences for convicted lawbreakers. We're getting a hard line on criminality and we're paying for it.

## Republicans For Hess

Ever since Donna-Mae Litwiler won the Republican nomination for Lake County clerk in March, there has been talk of creating a 'Republicans for Hess' organization to support the campaign of Democratic incumbent, Linda Hess. The first evidence that such a group exists came when several prominent Republicans showed up at a fundraiser for Hess in Lake Bluff. Attending that event were Virginia Harrington, Avon Twp. Clerk; Mike Graham, Libertyville Twp. Supervisor and Republican candidate for County Board in Dist. 5; and Gretchen Schalk prominent Republican from Warren Twp.

According to Harrington, more Republicans would have shown, but there was a lot of intimidation coming from party officials. As far as we are concerned, politicians can not be intimidated unless they permit themselves to be.

Some Hess supporters are a bit smug in thinking that there is no way their candidate can lose this one. It is the same attitude that many backers of Venita McConnell (Litwiler's opponent in the primary) had until Litwiler clobbered her on election day.

Although it is no secret that we are not admirers of Sheriff 'Mickey' Babcox, we do respect his ability to turn out the votes for his candidates. We expect that Babcox will deliver a substantial amount of ballots for Litwiler on election day.

Add to this the fact that the statewide Democratic Party is in a shambles, that the Republican rank-and-file are more consistent voters than Democrats and that Republicans far outnumber Democrats in Lake County and it becomes clear that Hess is in an uphill battle on her hands to win re-election.

If an organized, enthusiastic effort is mounted by dissident Republicans, Hess could find hotbeds of support in such traditionally Republican townships as Avon, Libertyville, Lake Villa, and Wauconda. But experienced politicians know that promises of support from people who refuse to go public are as useless as an endorsement from the Ku Klux Klan.

Dissident Republicans could make the difference in Hess' uphill fight for re-election. If they think that a few public appearances can take the place of a comprehensive, organized effort, though, then they will find out just how strong Babcox' machine is on election day.

### Modern Farmers Put The Lie To Old Saying

by BILL SHROEDER

If you have a mind to, you can scratch the old saying about the height of corn on July 4 predicting the quality of the crop. Even non-farmers have been wont to observe, to determine if all is well, that the corn should be knee high by the 4th.

Not so any more, observed Bob Schmerbauch, agriculture specialist with the University of Illinois Extension Service on Rte. 45. Modern science and today's farm equipment are permitting planting earlier every year, according to Schmerbauch.

Herbicides now available and modern tillage equipment have put the lie to the old saying, Schmerbauch noted. Over the state, and Illinois is a big corn producer, between 40 and 50 percent of the corn crop now is planted in April. Schmerbauch said some of the earlybirds are shooting for tastling by July 4.

"What we watch in northern Illinois more than the 'knee high' standard are the available degree growing days. That's why the cloudy and rainy weather lately is more important than where the corn is at July 4," the ag specialist commented.

Lake County's farmers like their counterparts around the state have the equipment to plant 100 acres per day under ideal conditions. Speaking of ideal planting conditions, Schmerbauch added an astounding statistical note: If conditions ever were ideal, Illinois farmers have the manpower and equipment to plant the state's entire corn crop in 10 days. It's no wonder that

Illinois is the heart of the bread basket of the world.

**BACK HOME** — The lure of Lakeland — old friends and familiar climes — is too much for Mr. and Mrs. Eugene Davis, who sought ideal retirement living five years ago in Oregon. They're coming back home.

"Oh, we liked Oregon. It's beautiful country and we made some fine friends. But this is where we belong. This is where we decided we want to be," exclaimed the Davis', who formerly operated a dry cleaning business in Grayslake. Gene's customer route took him throughout a large part of the Lakeland area so they don't anticipate any problems in resinking their roots.

Mr. and Mrs. Davis aren't the first persons we've encountered who tried retirement in Florida, Arizona or California, only to "come back home" — for good.

# Aluminum Plays Role In Alzheimers Disease

**Question:** Are there any nutrition factors that can aid in preventing alzheimers disease?

**Answer:** Alzheimers disease is a degenerative disease of the brain. One nutritional factor that has been linked with this disease is an excess of aluminum or aluminum toxicity.

Aluminum is absorbed in the intestine and excreted by way of the kidney. In people with abnormal kidney function, aluminum is deposited in the bones and blocks calcium utilization.

Aluminum can accumulate from the following sources if the body is not able to excrete as quickly as the intake: antacids, douches, baking powder, under arm antiperspirants, toothpaste, drinking water (many cities add aluminum to reduce cloudiness), pickles, non-dairy creamers (the small containers used in restaurants), aluminum foil and aluminum cookware.

Limited use of all the above items is recommended. Cooking acid foods such as tomatoes and apples should be avoided in aluminum cookware. Small stainless steel strainers can be purchased to steam food in aluminum cookware without coming in direct contact with the pan.

If you need daily anti-acids you most likely have a digestive disorder that possibly would respond to a dietary change and/or digestive aids without aluminum.

**Question:** Is it true that mosquitoes will not bite you if you have taken extra vitamin B?

**Answer:** Thianicin (vitamin B-1) has been found to be especially beneficial in protecting against excessive mosquito attacks. Vitamin B-6 also is helpful especially to aid in lessening the inflammatory reaction to sensitive persons. A diet of excessive refined sugar is also a contributing factor to increased mosquito bites.

Since refined sugar products often produce vitamin B deficiency, the role of diet plays an

important role in preventing insect attack especially when exposure is increased. An increased intake of vitamin B complex (including vitamin B-1 and B-6) along with a decreased intake of refined sugar products is recommended.

An increased intake of alcohol will result in increased blood sugar and encourage insect attack. Increased water intake will aid in lessening sugar storage and thus promote prevention of severe mosquito attack.

# Animal Welfare League Observes 50th Year

by CHARLENE WHITNEY  
The Animal Welfare League can be found at 6224 S. Wabash Ave., Chicago, IL 60637, phone (312) 667-0088; and at 10101 S. Ridgeland, Chicago Ridge, IL 60415, phone (312) 636-8586.

It's hard to believe that just three decades ago the streets of Chicago had teams of horse-drawn wagons driven by peddlers. Many of the horses and equipment were poorly maintained. There was an ordinance in effect, but most of the time the enforcement appeared to fall upon the Animal Welfare League.

Most inspections of stables today are made in areas outside of Chicago, to check conditions of horses kept at either livery or private riding stables.

Animals cared for by the league are not just horses, dogs and cats. It is summed up as creatures of "Fur, Fin, and Feathers." The league has taken care of baby mallards that have become separated from their

mothers. An eagle was found, lost and exhausted. It was taken to an eagle sanctuary. A vulture was picked up on the north side of Chicago. It had to be a long way from home. The Lincoln Park Zoo took it in.

A horned owl was rescued by the league from a rooftop where it was caught in heavy fishing line. The line was wrapped around his legs and the chimney of the house. He was checked out and released to go on his way.

The veterinarians of the league removed a fishhook from the stomach of a heron. The bird had to be force-fed with its natural diet until it was strong enough to be released.

The league deals with rabbits, skunks, squirrels, raccoons, opossum, deer, and any other animals that need help. They have had many unusual guests.

They have had a wolf, coyote, fox, monkey, bear, and an alligator that was 27 years old and eight feet long. The alligator was taken from

a home where its owner had kept him. It had its own room and access to a water tank via special ramps. The owner had brought it back from Florida over 20 years ago.

The king of beasts, the lion, has become well-known to the league. The first lion guest was named Monte, and that was many years ago. It was part of an act in a nightclub and then the owner left it in a crate in the basement of the club. Monte had gone without food and water for several days when the call was received.

The owner was found, but he had become fearful of the lion as it grew. He agreed to sign the lion over to the league. Monte had a new home at the Racine Zoological Park in Wisconsin.

The next was a young male carnival lion which was kept in a very small crate.

Another lion was spotted at a small circus and was indeed kept in a cruel manner.

The owner said, "Leo's 12 years old. He's served his usefulness to me. If you want him, you can have him." Leo was given a good home at the Lion Country Safari near West Palm Beach, Fla., and guaranteed a lifetime of contentment. He was free at last.

## Pet-Wise

Chesty was the next lion to need the league's help. He started out being impounded for rabies observation. His owner had gotten him as a cub. He was declawed and kept as a pet. Shortly after he was home, the owner sold him to the owner of a "go-go" tavern who knew nothing of his past. Ten days later her young sons went into the room with the lion and were badly mauled.

The league picked up Chesty and offered clean

straw for bedding, plenty of food, sufficient exercise and attention from the staff.

The story of Chesty appeared in the paper and a member of the House of Representatives contacted the league. They read to him past articles from their files relating to many tragedies that had resulted from attempts to keep wild animals as pets. On Oct. 10, 1969, the Illinois Exotic Animal Act was signed and put into effect.

As for Chesty, he thrived in their care. He enjoyed being brushed and began to look great. He had never been around his own kind before and had no claws to protect himself from other grown lions. It was decided that the Lion Country Safari would take him and he would be placed in a pride of young lions where he might be able to adapt.

The league also oversees horses, cows, and other livestock. They make many inspections to the stockyards as there are many problems

with shipping methods. How animals are receive repeated cruel treatment during the unloading process, is another story. The league steps in to do what they can.

There are so many other things the league does that I can't begin to cover them all. They are in need of clean, used towels. They cannot use blankets or shag rugs. They are also in dire need of newspapers. These items can be delivered any time from 7 a.m. to 10 p.m.

Their interest is for the animals, and they wish only to find the best homes for them. If you are looking for a dog or cat, try the league. They may have just what you want.

Anyone who would like a copy of the 50-year anniversary booklet of the Animal Welfare League can write or call, and one will be sent. There are many interesting stories and pictures telling of the great work of the league.

## Versatile Cranberry Can Be Savored Year-Round

The cranberry is the apple of the Thanksgiving holiday eye. Even though it's in good supply only from September to December, you can enjoy the flavor of the cranberry during the off-season.

Cranberry juice has become a popular breakfast drink. At our house, it competes with orange juice. It is a nifty change-of-pace drink, especially when combined with grape or apple.

You can make a cranberry cocktail by adding some OJ, sugar and cinnamon, plus cloves. You can prepare a soup that is served hot or cold. You can fix a cranberry mousse or cranberry muffins.

You can produce an-almost-instant cranberry sauce:

Combine 1 1/2 cups sugar and 1 cup water in saucepan, stir to dissolve sugar, bring to boil, add one pound canned cranberries, reduce heat to medium and cook five minutes. Serve sauce warmed or chilled. Makes about four cups.

For an interesting variation:

Use orange instead of water;  
Add grated lemon or orange peel;  
Stir in chopped nuts, dates or raisins;  
Season with cinnamon, nutmeg or allspice.

**Cranberry Soup**  
2/3 cup sugar

1/4 cup cornstarch  
4 cups cranberry juice  
1 cinnamon stick  
Sour cream

In large saucepan, combine sugar and cornstarch; gradually stir in cranberry juice. Drop in cinnamon stick and bring to boil, occasionally stirring. Reduce heat to medium. Cover and cook five minutes. Remove cinnamon stick. Serve hot, or chill, stir and daub sour cream on top of each 1/2-cup serving. Serves eight.

**Cranberry Chicken**  
4 chicken breasts  
1 envelope dry onion soup mix  
1 bottle (8 oz.) Russian dressing

**Pilot Light**  
GREG MELIKOV

1 can (1 lbs.) whole cranberries  
1 small onion, finely chopped  
Place chicken in casserole and bake in 350-degree oven 30 minutes. Mix remaining ingredients and pour half over chicken. Reduce heat to 325 degrees and bake 15 minutes; pour remaining mixture over chicken and bake 15 minutes. Serves four.

## Offer Gift Scholarship

The College of Lake County Foundation has introduced a Commemorative Gift Scholarship Program. This program allows local businesses, organizations or individuals to honor someone while contributing to the education of an outstanding Lake County college student.

With a contribution of \$100, a scholarship in the same amount will be awarded to a CLC student. The scholarship will bear the name of the honored individual, and the person or the family of the person will receive a certificate indicating a scholarship has been awarded.

The CLC Foundation was established in 1974 as an independent, not-for-profit corporation designed to help support programs and projects of CLC.

These scholarships could be used to honor an employee, salute a birth,

celebrate an anniversary, recognize a volunteer or make a memorial tribute.

The CLC student benefiting from the scholarship will be chosen on the basis of academic merit. The commemorative gift will be fully distributed

during the semester after its receipt. The commemorative gift is fully tax deductible.

For more information on the Commemorative Scholarship Program, call the CLC Foundation at (312) 223-6601, Ext. 400.

## To Discuss Disorders

Eating disorders of American women and men are a major concern of health professionals. Gallop Polls have projected about two million women ages 19-39 and one million teenagers are affected by some symptom of anorexia or bulimia.

Saint Therese Medical Center will provide a free lecture about these and other

eating disorders on Wednesday, July 16, at 7 p.m. Mary Losch, registered dietitian at the medical center, will discuss anorexia and bulimia, how to recognize symptoms and causes, and a description of current treatments.

The program will take place at Saint Theres Area Trauma Satellite in Lake Villa. To register, call (312) 360-2702.

# Questions—Answers About Disability, Mortgage

While America was celebrating Lady Liberty Day and setting off firecrackers, The Meyers Report was at home, answering the nation's (mail) call.

Q. Is the spouse of a disabled wage earner also eligible for social security disability benefits? This question was asked by the following readers, among others: A. Green, Gary, Ind.; E. Varga, Phillipsburg, N.J.; P. Kirby, Griffith, Ind.; R. Baudreau, Hobart, Ind.; B. Picollo, St. Louis, Mo.; S. Lynn, Gary, Ind.

A. Yes, under certain circumstances. Barbara Samuels, a Chicago attorney specializing in disability benefits claims, noted three ways to qualify for benefits:

1) You can begin receiving early retirement benefits at age 62 if your spouse is alive and is receiving either a disability or a retirement benefit. But, because it is early, you will receive less than the full amount for which you might otherwise qualify.

In addition, if you are 62 years of age and divorced from someone receiving disability benefits, you are

also eligible if the marriage lasted at least 10 years, irrespective of whether your spouse remarried. However, you would be ineligible if you remarried before you reached the age 60.

2) If you are the wife of a wage earner receiving disability benefits, and you have in your care the child or children of the disabled

earner, you would be eligible for early retirement benefits at age 60.

If you are a spouse of someone receiving social security disability benefits, and you want to apply for benefits, go to your local Social Security Administration (SSA) office. You can find it by looking in the blue section of your

or dead, then the child is eligible for benefits.

To find out about the benefit amounts to which you are entitled, you can either write or call your local Social Security office. To verify that the amount is correct, you must request a

copy of the wage earner's earning record and an explanation of the agency's formula and how it was applied to that account.

If you like, you can contact Christie Lodge directly. Dial (713) 777-8229, and ask to

speak to Jay O'Connor.

By the way, the group that produced the direct mail notice you received, Gardner, Hepperman & Bonar, is also in the Houston BBB files, for non-delivery of prizes.

## Builder Advises Home Buyers On Quality Construction

"Many home buyers, whether first-time or move-up, have a number of questions about the construction of their new home. Although they can inspect the finished product, they can't really see inside, so it's helpful to have diagrams to explain what to look for,"

Roger Gatewood, president of Westfield Development Corporation said.

"Upholstered furniture is another major purchase where the exterior does not reveal the quality of construction inside. Out interior design consultants have developed a checklist of

what to look for in upholstered furniture to pass along to our home buyers. In our move-up homes at Perbrook Oaks where our buyers have expanded living space, purchasing new furniture is a top priority," he added.

Westfield Development Corporation is developing Perbrook Oaks in Gurnee, a community of 50 single family homes. Four homestyles are available, priced from \$86,900 to \$119,900. Wooded and park view homesites complement expanded floor plans and traditional exteriors.

Gatewood is also a featured builder in the 1986 Parade of Homes, a showcase of luxury homes, and builds luxury move-up homes, priced up to more than \$350,000, throughout the northern suburbs.

"Most shoppers approach selecting upholstered pieces are motivated by style, comfort and value, in order of priority. After you have

chosen a style you like and tested its comfort, consider where and how often you'll be using the furniture. It may be wiser to invest more money in pieces used everyday and less on pieces used infrequently so that your furniture will take the abuse of constant use and wear well," said Gatewood.

Gatewood suggested keeping the following nine points in mind when choosing upholstered furniture:

First, look for a sturdy fabric which wears well on pieces used daily and is protected from wear and tear of children and pets. Look for flaws in the fabric or tailoring. Patterns should match and right and left arms should be identical. Ask if the joints are double doweled for extra support.

Look for a chair or sofa frame made of at least five-quarter hardwood such as maple or oak. Ask if the wood is kiln-dried for extra support. Get information on

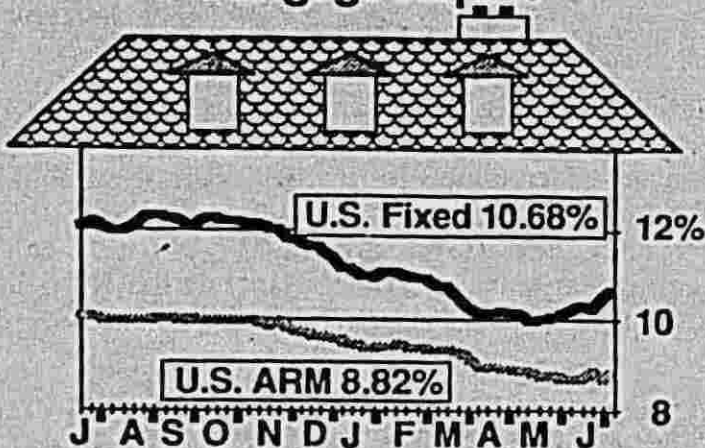

the "fill" of an upholstered piece. Ask how many springs per foot of sofa there are and whether or not they are tied.

Test backs and arms for foam padding to determine long-term comfort. Look for upholstered pieces with a wrapped quality foam, for example, for longer wear. Shop at reputable dealers and be aware of manufacturer reputations.

"Although style and comfort are important, you'll feel more confident about buying furniture for your new home if you ask some educated questions about your upholstered pieces," said Gatewood.

To visit Perbrook Oaks, take the Tri-State Tollway (Int. Hwy. 294) north to Grand Ave. (Ill. Hwy. 132). Exit east on Grand Ave. to the community entrance.

### Lakewood In Lindenhurst Schedules Grand Opening

Food, fun and prizes are promised July 5 through 13 at Lake County's new single family home development "Lakewood in Lindenhurst," where all inclusive base prices start at \$125,500 for a three-bedroom, two-bath ranch.

Fresh popcorn, lemonade, clowns with balloons for kids

and a chance for visiting families to win a Weber barbeque are being featured throughout the week. Five Weber kettles plus a "Genesis II" Weber gas barbeque will be given away.

To enter the barbeque drawing, a family must visit Lakewood's model homes off

of Beck Rd., just north of Grass Lake Rd. in Lindenhurst. Models are open daily.

Lakewood's models include two-story homes with up to four bedrooms and two and one-half baths. All models offer the following features with their base prices: central air con-

ditioning, basement, underground utilities, lawns, attached 2-car garage, concrete drive and walk, family room and patio, double glazed windows and patio doors, oak-cabineted kitchen with range, dish-

washer and disposer, Antron carpeting and vinyl flooring and walk-in closets.

An incentive offered by the developer is a free outdoor furniture patio set for buyers who contract to purchase during the month of July.

Century 21 Francis Carr Ltd., realtors of Deerfield is exclusive sales agent for Lakewood in Lindenhurst. For more information, telephone the sales office at (312) 356-2400 or (312) 945-5240.

### Ill. Bell Announces New Switching Centers

Illinois Bell has proposed to expand its high-speed switched digital data transport service--Ameritech Switched Data Network (ASDN)--to five more switching centers in the Chicago area, as well as in Springfield and Champaign.

Currently offered from only one switching center in downtown Chicago, ASDN offers 56-kilobits-per-second switched digital data transport to business and Centrex customers--without expensive private lines and modems.

"ASDN, previously called Public Switched Digital Service, was originally developed to allow smaller businesses to enter an information market in a way they previously couldn't afford," said Jamey Stanley, Illinois Bell product manager.

ASDN uses a regular

business exchange line or a Custom Centrex line, avoiding the costly installation of a special private line.

"When a dedicated line is impractical or cannot be cost-justified, ASDN is an economical alternative for users with digital information transport needs," Stanley said.

He also said that the system is more flexible than a dedicated private line, allowing customers with the service to hook up with any other ASDN subscriber in the area.

Rates for ASDN are usage sensitive. After a low monthly fee, customers pay for only the time they actually use the service. Calls between ASDN-equipped Custom Centrex lines in the same Centrex group will not incur any per call usage charges.

"This not only helps small businesses control costs, but makes ASDN an affordable backup for large customers with dedicated lines," Stanley said.

According to the product manager, ASDN increases the data transmission speed on conventional telephone lines by about 13 times. It can be used for numerous digital services, including: bulk data transfer, disaster recovery, private line backup, slow-scan and motion video conferencing, graphics, facsimile transmissions (in four seconds rather than 20 or more seconds), high fidelity sound and encrypted voice.

Pending Illinois Commerce Commission approval, customers served by the switching centers where ASDN will become available will have direct access to the service.

### Primary Care Opens New Antioch Location

Primary Care Family and Emergency Center has opened a new location at 915 Toft Ave., Antioch.

The Antioch clinic is uniquely designed to provide the most modern health care medical service. It is fully equipped to handle all medical problems which do not require in-patient hospital care.

It combines a blend of family medical practice with emergency medical service. The service is designed to facilitate the immediate needs of today's modern family. It is easily accessible and conveniently open from 8 a.m. to 8 p.m. including weekends. Staffed by American trained board certified personnel, it provides immediate service for emergency cases.

The service is also designed to take care of school physicals and extended screenings, industrial injuries, as well as recreational emergencies.

There is a 24-hour physician answering service to cover the hours when the center is not open at (312) 395-9180.

Primary Care also offers a special senior citizen program; it is also the

largest HMO provider in Lake County. Companies of all sizes that would like to join HMO insurance programs may call Marcie Hart at the HMO insurance department at (312) 223-8582.

### Appoint Noury

Paul G. Noury, 34, of Grayslake, has been appointed staff assistant to the director at the VA Medical Center, North Chicago.

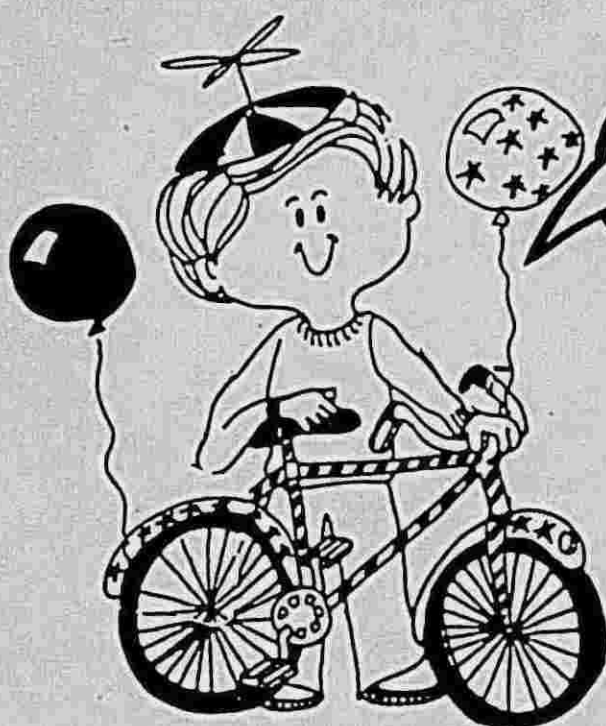

A native of Rhode Island, Noury is a 1975 graduate of Rhode Island College and in 1983 received a master of public health degree in hospital administration from the University of Pittsburgh.

He joined the VA in Brockton, Md., and subsequently served at medical centers in Pittsburgh, Penn. and St. Cloud, Minn. before coming to North Chicago.

Noury and his wife, Pauline, have four children.

## Warren Girls Place Third At Lake Zurich Tourney

The Warren Twp. Senior Girls Softball team finished third in a tournament at Lake Zurich over the July 4th weekend.

Warren opened the tourney with a 7-6 loss to host Lake Zurich.

Two costly fielding errors allowed two runs to score. Warren outhit Lake Zurich 12-7. Wendy Kline was three-for-four and Tiffany Holmes two-for-three at the plate.

In the tournament's second game, Warren beat Joliet 6-1. Kline helped her four-hit pitching by hitting two-for-four. Grayslake's Alice Norton was two-for-three and Crystal Cobb had two hits in four at-bats.

Warren made it two-for-three in the third game of the tourney with a 19-12 win over Wilmette.

Norton walked six straight times and scored three runs.

"When you lead off batter reaches first base, it sets the pace for the rest of your offense. Alice has done a good job of this all year," coach Mike Ingalls said of Norton.

Tiffany Holmes and Terri Ingalls had two hits in four at-bats in the game.

Cobb hit a run-scoring triple.

The tourney ended with a 3-1 loss to Waukegan.

Pitcher Lisa Gowe surrendered only two hits. the defense committed six errors which accounted for

all of Waukegan's runs.

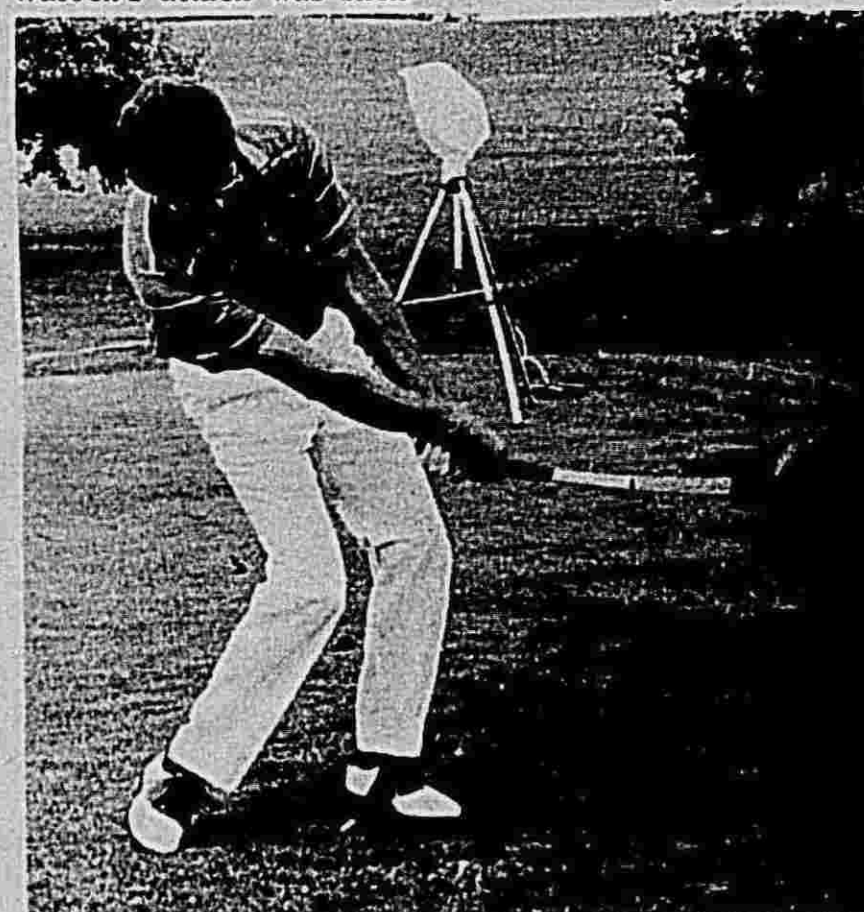

Kline, Jenny Marker, Holmes and Bryn Doherty had hits as Warren outhit Waukegan 4-2.

In addition to play in the Lake Zurich tournament, Warren beat Wilmette after losing to Schiller Park.

Schiller Park won 6-1 as Warren's attack was silen-

ced on two hits. Gowe and LeAnn Koziol had a triple and single, respectively.

Warren topped Wilmette 12-4 as Terri Ingalls led the way with three hits in four times up, including a two-run homer. Bendry and Marker added to the attack with two hits apiece.

## The Lesson Tee

By Gary Flowers

Indpls., IN 46236

Q. I like to use my 7 iron for clipping, but so often my distance is not accurate. What is the best way to improve this part of my game?

A: There is really nothing wrong with favoring your 7 iron. In fact, we all have a club we tend to reach for simply because it feels 'right' or comfortable to us. But to really improve in this area you will have to leave that 7 iron in your bag more often because it simply will not be the correct choice in many cases. You may be familiar with the saying that the safest shot is to get the ball onto the green and rolling toward the hole. In other words, the chances of error increase in proportion to the distance the ball travels in the air, so we want to place the ball 2' or 3' onto the green and let it roll to the hole. This distance the ball must roll will vary with each hole, but once you calculate this distance you need only select the club which will produce that amount of roll. The difference in loft is what determines how far the ball will roll. Because you use the same stroke for every club and let the loft produce the distance, you will become quite accurate in a very short time. Practice this with each club in order, remembering to repeat the same stroke with each club. Land the ball 2' to 3' onto the green, and learn what distance each club will produce for you.

## Old World Wisconsin Is A Historical Site

Old World Wisconsin is a state historical site located in the southern gateway area north of Walworth County. Fronting on WI-67, it's about 100 miles from Chicago. Those few miles take visitors back into times and lives of the 19th century. Forty original buildings have been relocated there from throughout the state.

This 576-acre outdoor museum reflects structural patterns and lifestyles of 16 ethnic groups among early Wisconsin settlers. Germanic and Scandinavian cultures were dominant in the homes, schools, farms, churches and civic buildings on display. Costumed residents engage in activities of the times with emphasis on the 1840-80 period. Currently, student filled buses are frequent. Perhaps some 90,000 persons will visit from all states and many parts of the world.

Display buildings are as original as time allows, repaired as needed with aged woods, plasters, bricks and stone to duplicate the lost portions. Old World Wisconsin opens daily during summer. Visitors may walk the central area and have lunch at the Clausen Barn Restaurant. Here, different ethnic plate lunches and dinners are featured on weekends, or they may purchase a ticket for a tour of the grounds. For an additional fee, guided tour vehicles provide on and off transportation and information between displays. Discounts are offered for seniors, youths and groups.

Old World Wisconsin is the only multi-national and multi-cultural outdoor museum in the world. Details are available by writing them at Box 12A, Eagle, Wis., 53119, or call 1-800-ESCAPES.

After sampling the ethnic Old World Wisconsin flavors, we continued northward to Baraboo, home of the Circus World Museum. Here, performances of elephants, big cats and bears mix with the romances of the circus and a new Buffalo Bill display. In its 28th year, it offers history of another type. Circus World Museum is at 426 Water St.,

Baraboo, Wis., 53913, on highway WI-113. It's open daily at 9:30 a.m. through mid-September.

Midway between Baraboo and Wisconsin Dells is the International Crane Foundation

on Shady Lane Road off U.S. 12. Many are aware the Whooping Crane was an endangered bird near extinction. The Crane Foundation has made remarkable progress in turning that trend as well as studying others of the species members.

Many remember its director, George Archibald. As co-founder he became famous for his TV recorded mating dance with the female whooper. This stimulates egg laying in the absence of compatible males. Gee Whiz, now nearly four years old, is the living product of Archibald's devious deception. From his pen area, Gee Whiz greets human visitors with the same challenge given to fellow cranes. Why not? His father Image, George, was a people...according to his mother, Tex, who had been artificially inseminated in advance. Gee Whiz's Mom, unfortunately was killed by a marauding raccoon a few months after his birth. This leaves George Archibald as his only family.

The Crane Foundation is unique in the world today and warrants a visit by those who love wildlife. A Run For Cranes fundraiser is scheduled for May 9, 1987 and sponsored by the Dells Holiday Inn.

### More Women Execs

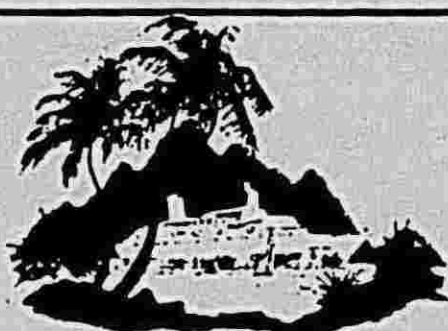

A significant change for women has been the increased movement into executive, administrative, and managerial occupations. In 1975 women constituted only 22 percent of this group, and by 1984, that share had risen to 34 percent, according to a fact sheet published by the Women's Bureau for the U.S. Dept. of Labor.

## Forest Preserve Dist. Holds On The Job Training Series

The Lake County Forest Preserve Dist. offered on-the-job training opportunities to employees with fire extinguisher training and a seminar on public relations in interacting with the public.

Fire extinguisher training was conducted at the Petersen Gravel Pit, Libertyville, by Mike Hutchison, firefighter and paramedic

for the City of Waukegan.

The training included a filmstrip, fire extinguisher demonstration and required individual participation in extinguishing a fire ignited in a large metal tray. The program is one of several conducted to insure safety to persons, property and in conjunction with the Safety Program of the Lake County Forest Preserve Dist. The

Safety Program is a requirement of the Park District's Risk Management Agency (of which the district is a member) who provides 44 park districts with self insurance coverage.

The Service Effectiveness Training, in cooperation with the National Recreation and Park Association, was conducted at Brae Loch Golf Course in Grayslake.

## State College Board Approves New Units

The Illinois Community College Board has approved three new units of instruction at the College of Lake County. The new programs are an associate of applied science degree in computerized numerical control, a certificate in computerized numerical control and an operator's certificate in the same area.

Students learn to operate and program computerized metal-cutting machines.

Graduates of these programs are employed in manufacturing settings, and earn between \$7 and \$14 per hour.

For more information on these programs, contact the college's engineering, math and physical science division at (312) 223-6601, Ext. 498.

## Cars Must Display Their Renewal Tags By July 31

New, larger renewal stickers for 1987 must be displayed on passenger car license plates expiring in July by midnight Thursday, July 31, Secretary of State Jim Edgar has announced.

Motorists receiving newly-designed plates this year are reminded that the sticker attached to the ID card must be placed at the bottom center of the new rear plate.

Pre-printed renewal applications have been mailed to approximately 406,000 owners who renew their stickers in July, and 160,000

owners who will also receive the new passenger car license plates.

It is now too late to send applications by mail and guarantee delivery of the new plates and/or stickers

*"A 7.5%\* CD from Skokie Federal  
can mean more than 7.5% elsewhere..."*

*Margi Englehardt, Branch Manager of the Downtown Skokie office, advises customers on how to get the most for their money.*

"The best advice I give customers who are comparing rates on CDs is to beware that 7.5% does not always equal 7.5%. That may sound strange, but because of the various ways of compounding interest, it is often the case.

"For example, because we compound daily, 7.5% at Skokie Federal Savings means more than 7.5% at most other institutions who only compound monthly, quarterly, semi-annually or not at all. This means our customers earn the highest yield possible for a given rate on our CDs and savings accounts. And it's the yield, not the rate, that determines how much you will actually earn on an account at maturity.

"Other institutions try to lure savers into accounts with lower yields by offering cash bonuses, high simple interest rates and other gimmicks. At Skokie Federal, it's our policy to let our customers know the bottom line upfront ...the yield on all our accounts. That makes me proud to be a part of the Skokie Federal team."

\*7.5% is used as an example only. Call 674-3610 for current rates on all our CDs.

# Bikers Eligible For Prizes Sunday

Boys and girls age 6 to 16 are invited to compete for prizes in a county-wide bicycle rodeo designed to promote safe riding.

Riding competition and equipment inspection will be from 10 a.m. to 5 p.m. Sunday, July 13, at the Lake County Highway

Dept., Winchester Rd., Libertyville. The rodeo course will be two blocks west of Rte. 21.

The event is being sponsored by the Lake County Sheriff's Dept., Waukegan Tire and Supply Co., Saf-T Corp., DesPlaines, the Lake County Safety Commission and the Waukegan Police Dept.

A rain date has been established for July 20 at the same time and location.

Don D. Wagner of the sheriff's office, coordinator of the rodeo, said gold, silver and bronze medals will be awarded in three age groups for top riders on a skill course.

Every participant will receive the original Saf-T Wing reflector to attach to their bike and a new "rules of the road" booklet for safe bicycle riding courtesy of Waukegan Tire.

Wagner said the Saf-T Wing already has wide acceptance in Europe and the Lake County Bicycle Rodeo will be one of the first places of introduction in this country.

There is no entry fee involved. Uniformed deputies will be on duty to answer questions and conduct a bicycle safety inspection. Riders must furnish their own bikes.

"Parents are being urged to bring their children and bikes to Libertyville for both an educational and entertaining event. There will be plenty of convenient parking available. We expect the rodeo skill course to be interesting and exciting for the young riders," Wagner declared.

Refreshments will be available.

Wagner reported that law enforcement officials are hailing Saf-T Wing as the most outstanding reflector device ever invented for a bicycle. The flexible plastic device to be given away free has a retail value of \$4.95. It is made in Finland.

"We're proud to be involved with this challenging safety project," stated Jerry Herheim, president of Waukegan Tire. "We hope parents appreciate the importance of emphasizing safe riding to their children. We think the rodeo will dramatize how young people can ride safely and still enjoy biking."

All children who are unable to attend the rodeo are invited to pick up the safety reflectors and their booklet at Waukegan Tire.

Wagner can be contacted at (312) 680-3729 for information.

## To Hold Premiere Week

In August, Northern Illinois University (NIU) in DeKalb will host Northern Premiere Week 1986.

Continuing NIU students volunteer to assist incoming freshmen and transfer students make the adjustment to living in campus residence halls and to the NIU and DeKalb communities. These volunteers serve as NI Guides.

Their responsibilities include writing letters of welcome to new students, helping them move into residence halls and arranging get-togethers for new students to meet each other. Guides also inform students about Premiere Week events and accompany them to campus activities scheduled for Aug. 20 through 24.

Live bands, dances, picnics and a barbecue, an activities fair, canoe rides, a

beach party, performances by comedians and an annual community corn festival are among the events planned for Northern Premiere Week, which is designed to introduce new students to the NIU campus and to welcome back returning students.

Among those serving as NI Guides are the following Lakeland area students: Suzy Samson, Antioch; Sue McDonough and Brenda Williams, Gurnee; Leisha Billmyer, Lindenhurst; Michael Ford, Mundelein; Karen Eggert, Round Lake; Deborah Nelson, Round

Lake Beach; Ann Willits, Wadsworth; Debra Crown and Tracy Loehndorf, Wauconda; and Barb Brisette, Wonder Lake.

Al Clemens, Mundelein, will be one of 20 student coordinators, who will direct the NI Guides. Coordinators were chosen for their ability to work with new students, knowledge of NIU and its facilities and programs, leadership and organizational skills, according to Denise L. Rode, assistant director for the Office of Orientation and Student Assistance, under whose direction NIU Premiere Week is held.

## 14 Pupils Get CLC Scholarship

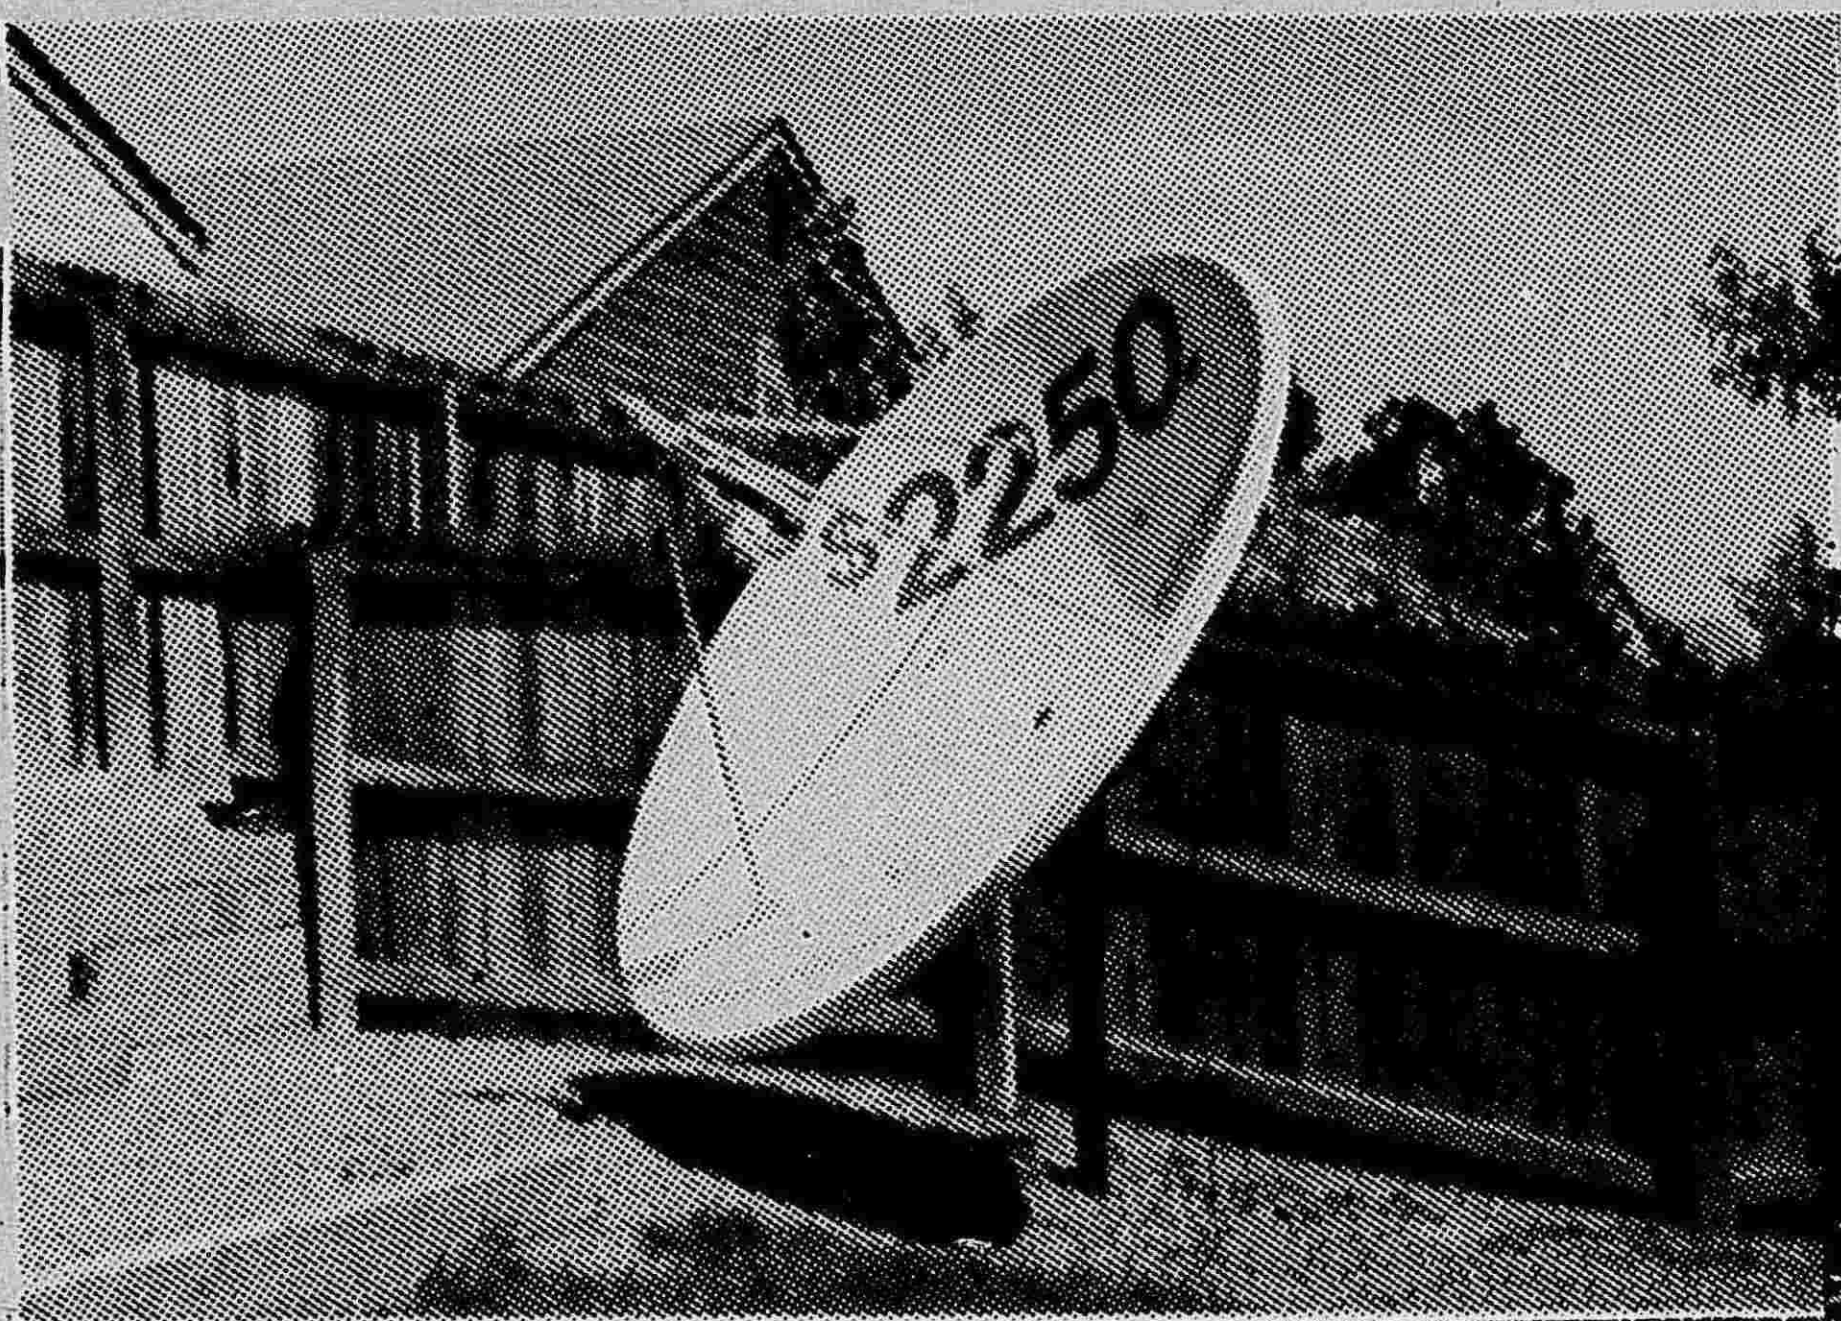

Fourteen Lake County high school graduates have received College of Lake County (CLC) Merit Scholarships for the 1986-87 school year with seven CLC students awarded a second year of the merit scholarship.

The high school students were required to have a "B" or a 3.0 or better grade point average. One student from each high school in the College of Lake County Dist. was chosen. The scholarship pays for full tuition for two semesters freshman year and is renewed for sophomore year if a 3.0 grade point average is maintained at CLC.

High school graduates receiving the merit scholarship include: Jackie Smalley of Libertyville High School, Matt Rehm of Mundelein High School, Laura Springer of Waukegan East High School, Suzanne Gene of Carmel for Girls, Patrick M. Walker of Carmel for Boys, Leslie Vanover of Waukegan West High School, William Gray of Grant High School, Craig Ebenik of Zion-Benton High School, Gwen Unrath of Round Lake High School, Kyle Eckmann of Wauconda High School, David Theiele of Antioch High School, Brenton Farm of Grayslake High School, Mechelle Schumacher of Warren High School, and Douglas Whiteside, Jr. of North Chicago High School.

The following CLC students had their scholarships renewed for next year: Anthony Zera of Round Lake, Robert Kampale of Lindenhurst, Michael Campbell of Libertyville, Mary Catherine Bayer of Waukegan, Vicki Peters of Lake Zurich, Patrick Monahan of Lake Zurich and Paul Wanthall of Spring Grove.

## BUYING A HOME SATELLITE DISH IS COSTLIER THAN YOU THINK.

Before you spend your hard earned money on a satellite receive dish you should learn the facts.

This year popular premium services like HBO and Cinemax will begin scrambling their signals with highly sophisticated electronic encryption devices.

And this new technique won't be

limited to just premium services.

Many basic cable channels like ESPN, MTV and CNN have announced their intentions to scramble signals.

**What does this mean for satellite dish owners?**

In addition to paying several thousand dollars for the purchase and installation of a receive dish, it will be necessary

to spend hundreds of dollars on descrambling equipment **plus** pay monthly service fees for each channel received.

**Make your decision based on the facts.**

## Along the way with ANNIE MAE

THIS WEEK, ANNIE Mae is taking a little vacation so you are going to go "along the way with Charlie J," better known as news editor, Charles Johnston.

First, I must apologize to anyone who may not have a scheduled release in this week. Throughout the last four months of my wife's pregnancy, I begged and pleaded with her to have the baby on any day but a Monday, which is crunch day at the paper. Well, my wife was willing, but my son had different ideas.

This Monday, he decided to spite his dear old dad and get his business of being born over with. While I am less than enthused at his timing, both my wife and I are delighted with him. He weighs 8 lbs., 4 oz.

I am told that I got a lot of calls while out of the office Monday, so I fear that something will have fallen through the cracks. I promise to be right back at the top of my game next week.

OVER THE WEEKEND, my wife and I joined in the celebration of the Fourth of July in Antioch. What a grand festival it is!

I am also convinced now that Antioch has the most lovely contestants in its beauty contest of any area I have seen. It must have been very difficult for the judges to choose from among the ten poised and talented young ladies who participated in the pageant.

As for the Little Miss contest, that Melissa Sterbenz is an absolute little doll. Both my wife and I love children and were very impressed with how sweet and mannerly all the little girls were who participated in this pageant.

It makes me want to move to Antioch so I can enter my daughter in a few years. Some of you may remember my little girl - she was the little 15-month-old child that was dancing up a storm on Thursday night after the pageant. Ever since she could wiggle good, she moved to the beat of any music that was playing.

The variety of food and fun that was offered all day on Friday was really very impressive. There was something for everyone. Now, if only softball for adults could be added, I would be tickled pink. Really, though, this was an incredible, fun effort that obviously took a lot of work on the part of the parks and recreation department.

Speaking from experience, I can say that this was by far the best celebration of the Fourth in the area. This is what America is all about. God bless America.

ORDINANCE NO. 86-0-18

**AN ORDINANCE GRANTING VARIATIONS UNDER THE GRAYSLAKE ZONING ORDINANCE FOR PREMISES AT 2 PINE STREET, GRAYSLAKE, ILLINOIS**

WHEREAS, a petition was heretofore submitted by Jim Bishop, the Owner of record of the property, for variations under the Grayslake Zoning Ordinance, being Ordinance No. 235, as amended (comprehensively by Ordinance No. 77-0-26), for the premises located at 2 Pine Street, and described on the South 94 feet of Lot 5 in Block 1 Owners Subdivision, Grayslake, Illinois;

WHEREAS, this matter was heretofore referred to the Zoning Board of Appeals of the Village of Grayslake, Lake County, Illinois, for a public hearing upon said petition, and said Zoning Board of Appeals caused a notice to be prepared containing a general statement of the purpose of the proposed variations and an identification of the premises for which the variations were proposed and stating the time and place of a public hearing for the consideration thereof; and

WHEREAS, said notice of said hearing was duly published as required by the relevant provisions of said Zoning Ordinance, at least 15 days but not more than 30 days in advance in a newspaper of general circulation published in said Village; and

WHEREAS, said Zoning Board of Appeals held a public hearing in said Village as specified in said notice upon said petition for variations and the witnesses were duly sworn upon oath and examined at said hearing, and pursuant to said hearing the Zoning Board of Appeals has made its report and recommendation thereon, to the President and Board of Trustees of said Village; and

WHEREAS, the President and Board of Trustees of said Village, after due investigation and consideration of said report, which report is on file in the Office of the Village Clerk of this Village, and be reference is hereby made a part hereof, have determined that the nature and extent of the public interest to be subserved required that granting of the variations hereinafter detailed.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF GRAYSLAKE, LAKE COUNTY, ILLINOIS:

**SECTION 1 FINDING OF FACTS AND MEETING OF CONDITIONS.** That it is hereby found as facts that the variations will only modify the application of the Zoning Ordinance to achieve a parity among properties similarly located and classified and is necessary to overcome exceptional physical conditions which pose a practical difficulty and an unnecessary hardship in such a way as to prevent the owner from using his property as intended by the Zoning Ordinance; and that all of the following conditions have been met:

a). The variations do not permit a use otherwise excluded from the particular zones in which said property is located.

b). The location of the real estate and zoning classifications require the requested variations in order to allow proper economic development.

c). The aforesaid circumstances or conditions are such that the strict application of the provisions of the Zoning Ordinances are such that the strict application of the provisions of the Zoning Ordinance would deprive the applicant of reasonable use of his land, and same does not constitute a mere loss in value to justify a variation but would result in a deprivation of a beneficial use of the land.

d). The variations granted are the minimum adjustment necessary for the reasonable use of the land.

e). The granting of the variations is in harmony with the general purposes and intent of the Zoning Ordinance and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the Comprehensive Plan of the Village.

**SECTION 2 VARIATIONS GRANTED.** That variations are hereby granted for the premises to authorize the following:

a). A reduction in lot area, yard, and bulk regulations, being Table 2 of Section 203 of the Zoning Ordinance to allow a minimum lot area for an apartment house of 9,400 feet rather than 10,000 feet as specified by said Section 203; and

b). A reduction in the lot area, yard and bulk regulations, being Table 2 of Section 203 of the Zoning Ordinance to allow a minimum front yard of 18.35 feet at Pine Street and 20.2 feet at Lake Street rather than 30 feet as specified by said Section 203.

**SECTION 3 NUMBER OF ORDINANCE.** That this ordinance shall be in full force and effect from and after its passage and approval as required by law, and shall be designated Ordinance No. 86-0-18.

The foregoing ordinance was adopted by a vote as follows:

Taylor is described as a F/B, 26 years of age, 5' in height, 135 lbs., with black hair and brown eyes. Her last known address was 2300 20th St., Apt. 9, Zion.

If you have any information about this crime or any other felony crime or felony fugitive, contact Crime Stoppers at (312) 662-2222.

If your information results in an arrest and indictment you will be eligible for a cash reward up to \$1,000.

Remember, Crime Stoppers wants your information, not your name.

provisions, not more than thirty nor less than fifteen days in advance of said hearing, in a newspaper published in said municipality and having a general circulation therein; and

WHEREAS, said Zoning Board of Appeals held a public hearing in said Village as specified in said notice upon said petition for considered all facts relative thereto, the witness at said hearing having been duly sworn and examined, and pursuant to said hearing the Zoning Board of Appeals has made its recommendation thereon to the Corporate Authorities of said Village; and

WHEREAS, said Corporate Authorities, after due investigation and consideration, have determined that the nature and extent of the public interest to be subserved, have determined that the nature and extent of the public interest to be subserved require the rezoning hereinafter provided;

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF GRAYSLAKE, LAKE COUNTY, ILLINOIS:

**SECTION 1 REZONING OF LAND.** That the Grayslake Zoning Ordinance, as amended, is hereby further amended by rezoning from the "G.B." General Business classification into the "CB", Central Business classification, the real estate described as follows, to wit:

**PARCEL 1:** Lot 14 in Block 7, Grayslake, being a subdivision of the Southwest quarter of the Southwest quarter and part of the Southeast quarter of the Southwest quarter of Section 26, Township 45 North, Range 10, East of the Third Principal Meridian, according to the plat thereof, recorded January 4, 1986, as Document No. 33104, in Book 82 of Deeds, page 420, in Lake County, Illinois.

**PARCEL 2:** Lot 16 (except the South 65 feet 4 inches thereof) in Block 7 in Grayslake, being a subdivision of the Southwest quarter of the Southwest quarter and part of the Southeast quarter of the Southwest quarter of Section 26, Township 45 North, Range 10, East of the Third Principal Meridian, according to the plat thereof, recorded January 14, 1986, as Document No. 33104, in Book 82 of Deeds, page 420, in Lake County, Illinois.

Said real estate being located on the West side of Seymour Street, across from Hook Lumber Company, Grayslake, Illinois.

Said property shall hereafter be subject to the uses and restrictions provided for in said Grayslake Zoning Ordinance, as amended, for the property in the "CB" Central Business classification, and it is hereby ordered that the zoning map of this Village be amended so as to show said land in said last mentioned zoning classifications.

**SECTION 2 REPEAL.** That, except as modified or changed herein, the aforesaid Grayslake Zoning Ordinance as heretofore amended, is hereby ratified, confirmed and approved, but all parts of ordinances inconsistent herewith are hereby repealed, to the extent, and only to the extent, of such inconsistency.

**SECTION 3 NUMBER OF ORDINANCE.** That this ordinance shall be known as Ordinance No. 86-0-20 and shall be in full force and effect from and after its passage, approval and publication as required by law, including (without limitation) a compliance with the provisions of Section 1-2-4 of the Illinois Municipal Code, as amended.

## BRING US YOUR SKILLS

Our growing group of Illinois and Wisconsin Newspapers has several opportunities open now in a fast-paced, exciting field.

### Office Position

We are seeking a mature person to handle telephone sales and reception duties in our North Chicago office. This is a full time position requiring accuracy and dependability. Experience not necessary, but a pleasing personality and good telephone manners are required.

Contact Hugh Jones  
Classified Manager

### Editorial Assistant

Persons who are good typists and have an interest in participating in the editing and preparation of a newspaper without benefit of formal journalism training or experience will be interested in the challenge of a newly created position in the Lakeland Newspaper newsroom — editorial assistant. This person must have knowledge of grammar and spelling besides being an above average typist. We will train you in newspaper style and give you an opportunity to develop a writing style. This is a part-time position which could lead to full-time. Flexible hours available. Interested persons should apply at:

30 S. Whitney St.  
Grayslake, IL

### Part-Time Pasteup Artist

We are looking for part-time pasteup artists in the Production Department. Training in our system is available to the right person.

Typing experience is helpful, but not necessary. The person we are seeking must be dependable. Lakeland offers a full range of company benefits including profit sharing

Contact Will Lonergan  
Production Manager

### Editorial Stringers

Editorial stringers are needed to cover the Lakeland area. Must have Journalism degree or prior newspaper writing experience. Work includes covering Municipalities as well as other news events. Must be able to work evenings. For more information:

#### ORDINANCE NO. 86-0-17

#### AN ORDINANCE GRANTING VARIATIONS UNDER THE GRAYSLAKE ZONING ORDINANCE FOR PREMISES AT 332 BELVIDERE RD., GRAYSLAKE, ILLINOIS

WHEREAS, a petition was heretofore submitted by James Matusek, the Owner of record of the property, for variations under the Grayslake Zoning Ordinance, being Ordinance No. 235, as amended (comprehensively by Ordinance No. 77-0-26), for the premises described in Exhibit "A" attached hereto and made a part hereof. Said premises are located at 332 Belvidere Road, Grayslake, Illinois; and

WHEREAS, this matter was heretofore referred to the Zoning Board of Appeals of the Village of Grayslake, Lake County, Illinois, for a public hearing upon said petition, and said Zoning Board of Appeals caused a notice to be prepared containing a general statement of the purpose of the proposed variations and an identification of the premises for which the variations were proposed and stating the time and place of a public hearing for the consideration thereof; and

WHEREAS, said notice of said public hearing was duly published as required by the relevant provisions of said Zoning Ordinance, at least 15 days but not more than 30 days in advance in a newspaper of general circulation published in said Village; and

WHEREAS, said Zoning Board of Appeals held a public hearing in said Village as specified in said notice upon said petition for variations and the witnesses were duly sworn upon oath and examined at said hearing, and pursuant to said hearing the Zoning Board of Appeals has made its report and recommendation thereon, to the President and Board of Trustees of said Village; and

WHEREAS, the Zoning Board of Appeals recommended that variations be granted as hereinafter detailed; and

WHEREAS, the President and Board of Trustees of said Village, after due investigation and consideration of said report, which report is on file in the Office of the Village Clerk of this Village, and by reference is hereby made a part hereof, have determined that the nature and extent of the public interest to be subserved required that granting of the variations hereinafter detailed.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF GRAYSLAKE, LAKE COUNTY, ILLINOIS:

**SECTION 1 FINDING OF FACTS AND MEETING OF CONDITIONS.** That it is hereby found as facts that the variations will only modify the application of the Zoning Ordinance to achieve a parity among properties similarly located and classified and is necessary to overcome exceptional physical conditions which pose a practical difficulty and an unnecessary hardship in such a way as to prevent the owner from using his property as intended by the Zoning Ordinance; and that all of the following conditions have been met:

a). The variations do not permit a use otherwise excluded from the particular zones in which said

property is located.

b). The location of the real estate and zoning classifications require the requested variations in order to allow proper economic development.

c). The aforesaid circumstances or conditions are such that the strict application of the provisions of the Zoning Ordinances are such that the strict application of the provisions of the Zoning Ordinance would deprive the applicant of reasonable use of his land, and same does not constitute a mere loss in value to justify a variation but would result in a deprivation of a beneficial use of the land.

d). The variations granted are the minimum adjustment necessary for the reasonable use of the land.

e). The granting of the variations is in harmony with the general purposes and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the Comprehensive Plan of the Village.

**SECTION 2 VARIATIONS GRANTED.** That variations are hereby granted to authorize the following:

a). A variation from the provisions of Section 209 (miscellaneous requirements), Subsection C (Yard and Building Setback Exception) i.u. to permit a swimming pool to be located within the sideyard of the premises rather than in the rear yard as would otherwise be required by said Section 209 C.1.u., the swimming pool to be located no closer than 6 feet from the East lot line and 10 feet from the rear lot line.

**SECTION 3 NUMBER OF ORDINANCE.** That this ordinance shall be in full force and effect from and after its passage and approval as required by law, and shall be designated Ordinance No. 86-0-17.

The foregoing ordinance was adopted by a vote as follows:

AYES: 6-Lucas, Smith, Christian, Behm, Harnazie, Harris  
NAYS: 0  
ABSENT AND NOT VOTING: 0

APPROVED: Ed Schroeder, President

PASSED: July 7, 1986  
APPROVED: July 7, 1986

ATTEST: Adell Laurin, Village Clerk

#### NOTICE BIDS HAWLEY STREET SIDEWALK REPLACEMENT VILLAGE OF GRAYSLAKE LAKE COUNTY ILLINOIS

Sealed proposals for the improvement described herein will be received by the Village of Grayslake, 164 Hawley Street, Grayslake, Lake County, Illinois until 11:00 A.M. on Wed., July 16, 1986 at which time all proposals will be opened publicly and read aloud.

The proposed improvement consists of the removal and replacement of approximately 1,820 square feet of concrete sidewalk along the north side of Hawley Street from approximately 150 feet west of Slusser Street to approximately 300 feet of Slusser Street. The contract also includes topsoil placement, sodding, and driveway replacement.

Contractors must comply with the following:

"As this construction project is to be federally funded, all labor standards and equal opportunity regulations will be enforced."

Not less than the prevailing rate of wages as

found by the Village of Grayslake or the Department of Labor or determined by the Court of Review shall be paid to all laborers, workmen, and mechanics performing work under this contract.

Any contract or contracts awarded under this invitation for bids are expected to be funded in part through the HUD program for Community Development Block Grants. Neither the County of Lake, nor HUD will be a party to this invitation for bids or any resulting contract.

No bid shall be withdrawn after opening of proposals without the consent of the Village of Grayslake for a period of sixty (60) days after the scheduled time of the bid closing.

The right is reserved to accept any bid or any part or parts thereof or to reject any and all bids, subject to the approval from the Village Board, Village of Grayslake.

Copies of requirements, specifications and contract documents may be obtained at the office of Midwest Consulting Engineers, Inc., 5151 North Harlem Avenue, Chicago, Illinois, 60656.

A non-refundable charge of \$10.00 will be made for each set of plans and proposal forms.

ORDINANCE NO. 86-0-15

**AN ORDINANCE GRANTING VARIATIONS UNDER THE GRAYSLAKE ZONING ORDINANCE FOR PREMISES AT 510 NORTH LAKE STREET, GRAYSLAKE, ILLINOIS**

WHEREAS, a petition was heretofore submitted by Robert Russell, the Owner of record of the property, for variations under the Grayslake Zoning Ordinance, being Ordinance No. 235, as amended (comprehensively by Ordinance No. 77-0-26), for the premises described in Exhibit "A" attached hereto and made a part hereof. Said premises are located at 510 North Lake Street, Grayslake, Illinois; and

WHEREAS, this matter was heretofore referred to the Zoning Board of Appeals of the Village of Grayslake, Lake County, Illinois, for a public hearing upon said petition, and said Zoning Board of Appeals caused a notice to be prepared containing a general statement of the purpose of the proposed variations and an identification of the premises for which the variations were proposed and stating the time and place of a public hearing for the consideration thereof; and

WHEREAS, said notice of said hearing was duly published as required by the relevant provisions of said Zoning Ordinance, at least 15 days but not more than 30 days in advance in a newspaper of general circulation published in said Village; and

WHEREAS, said Zoning Board of Appeals held a public hearing in said Village as specified in said notice upon said petition for variations and the witnesses were duly sworn upon oath and examined at said hearing, and pursuant to said hearing the Zoning Board of Appeals has made its report and recommendation thereon, to the President and Board of Trustees of said Village; and

WHEREAS, the Zoning Board of Appeals recommended that variations be granted as hereinafter detailed; and

WHEREAS, the President and Board of Trustees of said Village, after due investigation and consideration of said report, which report is on file in the Office of the Village Clerk of this Village, and by reference is hereby made a part hereof, have determined that the nature and extent of the public interest to be subserved required that granting of the variations hereinafter detailed.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF GRAYSLAKE, LAKE COUNTY, ILLINOIS:

**SECTION 1 FINDING OF FACTS AND MEETING OF CONDITIONS.** That it is hereby found as facts that the variations will only modify the application of the Zoning Ordinance to achieve a parity among properties similarly located and classified and is necessary to overcome exceptional physical conditions which pose a practical difficulty and an unnecessary hardship in such a way as to prevent the owner from using his property as intended by the Zoning Ordinance; and that all of the following conditions have been met:

- The variations do not permit a use otherwise excluded from the particular zones in which said property is located.
- The location of the real estate and zoning classifications require the requested variations in order to allow proper economic development.
- The aforesaid circumstances or conditions are such that the strict application of the provisions of the Zoning Ordinances such that the strict application of the provisions of the Zoning Ordinance would deprive the applicant of reasonable use of his land, and same does not constitute a mere loss in value to justify a variation but would result in a deprivation of a beneficial use of the land.
- The variations granted are the minimum adjustment necessary for the reasonable use of the land.
- The granting of the variations is in harmony with the general purposes and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the Comprehensive Plan of the Village.

**SECTION 2 VARIATIONS GRANTED.** That variations are hereby granted to authorize the following:

- A reduction in the lot area, yard and bulk requirements in all Zones, Table 2 of Section 203 of the Zoning Ordinance to permit:

1. A front yard of 37 feet rather than 50 feet as would otherwise be required for front yard setback in the General Business Zone at Lake Street.

2. A front yard of 11 feet rather than 50 feet as would otherwise be required for front yard setback in the General Business Zone at Hillside Avenue.

3. A side yard on the North side of 56 feet rather than 80 feet as would otherwise be required for the North side yard setback in the General Business Zone where abutting a residential zone.

**SECTION 3 NUMBER OF ORDINANCE.** That this ordinance shall be in full force and effect from and after its passage and approval as required by law, and shall be designated Ordinance No. 86-0-15.

## Framke Says Race Track Will Help

The proposed race track in Old Mill Creek could be a benefit to a Millburn school district.

"It would be a big help to the school district," Millburn Supt. Richard Framke said.

The proposed race track to be built by Arlington Park owner Richard Duchossois would help the Millburn district's assessed valuation, Framke said.

"We've lost assessed valuation over the last several years," Framke said.

The proposed race track would encompass parts of the Millburn School Dist.

The proposed race track, on 1,700 acres of land in Newport Twp., is expected to include: a resort and conference center hotel; a 18 hole golf course and club house; an office research center; speciality retail space and equestrian area.

depreciation as shall be determined from time to time by the President and Board of Trustees, or if not so needed, may be used from time to time to pay for any extraordinary maintenance, repairs and necessary replacements, or for improvements or extensions of the System. Said funds shall be used at any time to pay principal of, premium (if any) or interest on any waterworks and sewerage revenue bonds outstanding whenever there are no other funds available to pay the same.

Whenever an amount is withdrawn from such Account for the purpose of paying principal of, premium (if any) or interest on any waterworks and sewerage revenue bonds outstanding, the amount so transferred shall be added to the amount to be next and thereafter credited to said Depreciation, Improvement and Extension Account until full reimbursement to said Account has been made. Money Extension Account in excess of \$250,000 may, at the sole discretion and direction of the President and Board of Trustees, be transferred to the Surplus Account.

**Section 4.** This ordinance, together with a notice in the statutory form, shall be published at least once within ten (10) days of passage hereof by the Corporate Authorities in the Gurnee Press, being a newspaper published in and having a general circulation in the Municipality, and if no petition, signed by electors numbering fifteen percent (15%) of the number of electors voting for President at the last preceding municipal election at which a President for the Municipality was elected (such 15% being 221 electors) and asking that the question of proceeding with the Project, as provided in the Bond Ordinance, and the issuance of the revenue bonds therefore, be submitted to the electors of the Municipality, is filed with the Municipal Clerk of the Municipality within twenty-one (21) days after the date of publication of this ordinance and said notice, then this ordinance shall be in full force and effect. A petition form shall be provided by the Municipal Clerk to any individual requesting one.

**Section 5.** If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

**Section 6.** All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this ordinance are, to the extent of such conflict, hereby repealed.

PASSED by the Corporate Authorities this 7th day of July, 1986.
